NCC ACHIVEMENTS (March month)

Two cadets from the SENIOR WING of 9 GUJ BN Cdt Hirva Ram and Cdt Vishva Joshi filled out the forms of TES Navy entry. They were shortlisted by the board and appeared for their SSB at Naval Selection Board Vishakhapatnam on 8th of March. They went through several tests like PPDT (Picture Perception and Discussion Test), OIR (Officer Intelligence Rating) and GD (Group Discussion). During the Group Discussion they were amongst 15 others on a round table in which they discussed on the topics given by the GTO (Group Testing Officer). Later on they got screened out in the SSB

NCC ACHIVEMENTS (March month)

- Recently a cadet of third year SUO Taneesh Dasgupta (Btech - CSE) was selected from the battalion (9 GUJ BN) by the Ahmedabad Headquarter to attend the SSB camp at Delhi Organised by (Guj - Directorate) . The Camp was of 15 Day , where he was trained for the SSB Procedure and also get a chance to have a interview with High Ranked Officers.

NCC SELECTION PROCESS-2024

The NCC selection process at Indus University was successfully completed on 16/07/2024.

A total of 250 candidates initially registered for the selection. Out of these, 120 cadets were selected based on their performance and evaluation criteria. The process saw active participation from 25 volunteers who assisted in various capacities, ensuring the smooth conduct of the selection activities. The selection was overseen by 2 PI staff members and 1 ANO, whose efforts were instrumental in organizing and managing the selection process.

The NCC selection at Indus University was executed effectively, with a significant number of cadets selected and the process managed efficiently by the involved staff and volunteers. The successful completion of this selection reflects the dedication and teamwork of all participants and organizers.

HAR GHAR TIRANGA-2024

Har Ghar Tiranga Celebration under 'Azadi Ka Amrit Mahotsav' at Indus University was successfully completed on 12/08/2024. 120+ cadets participated in the event making it a huge success.

In connection with the 'Azadi Ka Amrit Mahotsav (AKAM)', celebrating 78 glorious years of Indian independence, the Union Government, under the stewardship of the Honourable Prime Minister of India, has recently launched a noble initiative titled the 'Har Ghar Tiranga' campaign, running from 9th to 15th August. He added that we should all join this campaign by hoisting the tricolour at our homes, offices, factories, etc., and taking photos with it."

A rally on 'Har Ghar Tiranga' was held for B.Tech students on 13-08-2022 to encourage people to bring the Tiranga home and hoist it to mark the 78th year of India's independence. The idea behind the initiative was to invoke a sense of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

By doing so, the nation not only honours the sacrifices of freedom fighters but also reaffirms the commitment to building a brighter, united India for future generations. This campaign aims to turn every home into a beacon of pride and patriotism, making it a resounding success.

CATC ACHIEVEMENT-2024

Celebrating Lt. Rajveer Singh Rathod's Achievement

Honoring Lt. Rajveer Singh Rathod: A Journey from SUO to Indian Army Officer

Lt. Rajveer Singh Rathod's journey from Indus University to the Indian Army is a testament to his unwavering dedication and remarkable leadership. As the SUO of Indus NCC (9 Guj BN) from the 2019 batch, his exemplary service set a high standard for his peers and juniors alike.

He has been recommended by the 31 SSB Selection Center North Jalandhar for the Technical Entry SSC Tech 61 in Civil Engineering. On 23rd May 2023, he cleared his very first conference and had 2 screen outs.

His journey towards becoming an armed forces officer began during his first year of engineering when he joined NCC and gained clarity about his aspiration. He pursued excellence in that direction by putting in synchronized efforts for sports (Senior National Karate Medalist), extracurricular activities, and academics.

Our heartfelt congratulations extend to Lt. Rajveer Singh Rathod as he embarks on his distinguished career in the Indian Army. We are deeply grateful to our University ANO, Lt. Dr. Parshva Shah, and our Registrar, Dr. RK Singh, for their relentless support and guidance, which have been instrumental in shaping the success of our cadets. Their dedication ensures that the values of discipline and leadership continue to thrive within our institution.

We look forward to witnessing more of our cadets following in Lt. Rajveer's footsteps, driven by the same passion and commitment that he exemplifies.

Army Attachment Camp –SW

Place: 15 JAK RIF ,GANDHINAGAR

An Insightful Experience At National Camp

From **9 GUJ NCC Battalion**, 2 SWs – **Cdt Rutvi Patel & Cdt Nikita Parmar** participated in an Army Attachment Camp held at **15 JAK RIF** in **Gandhinagar**. Total **80** SW cadets participated in this national camp. This camp provided an invaluable opportunity for the participants to enhance their operational capabilities through a well-structured training regimen including various Activities. They were introduced to different **weapons** such as **INSAS, SIG, LMG**. They were also taken to the **visit to QG, JCO's Club and mess, CK House ,etc.**

CAMP ACTIVITIES AND DAILY ROUTINE

The camp commenced each day with invigorating early morning exercises, including a **2.5 km** run, which aimed to build endurance and foster a sense of discipline. Following the physical training, the cadets engaged in drill practice, which emphasized the importance of teamwork and precision in military operations.

PRACTICAL SESSIONS AND WEAPON FAMILIARIZATION

Throughout the camp, participants attended a series of informative lectures designed to deepen their understanding of military tactics and procedures. These theoretical sessions were complemented by practical exercises, allowing the cadets to apply their knowledge in realistic scenarios. This combination of learning approaches helped to solidify their skills and prepare them for future challenges.

SSB PREPARATION LECTURES

The SSB preparation sessions were highly beneficial for the participants, led by an experienced Captain. These sessions covered **interview techniques, group discussions, and psychological assessments**, equipping cadets with essential strategies to present themselves effectively.

A rally of '**HAR GHAR TIRANGA**' was also conducted by all cadets which upheld the pride of nation. Overall, the Army Attachment Camp at 15 JAK RIF was a transformative experience for the SWs from 9 GUJ Battalion. The combination of physical training, practical learning, and cultural engagement not only enhanced their military skills but also instilled a strong sense of pride and camaraderie among the participants.

Army Attachment Camp- SD

Cdt. Himanshu Kushwaha is a 3rd year cadet in NCC from Indus university he had attended or completed army attachment camp from 30 July 24 to 10 August 24 in Assam 14 Regiment which was organised by **16 Marathali Regiment** in Army station, **Mota Chiloda, Gandhinagar** there were mainly 100 cadets in one regiment and there were total 3 regiments therefore, there were approx. 300 cadets in Army station to attend army attachment camp. Also he got selected in top 10 from 300 cadets in drill competition.

An Insightful Experience At National Camp

They got the chance to learn about army weapons like **lmg, mmg, insas rifle 5.56, sig 7.62, rocket launcher, ak47** and many more. I got the chance to fire from sig rifle which was amazing experience I have ever felt and also other weapons. It was beautiful experience to live army life or get a chance to learn many new things or activity of army life and learn about weapons and also following their daily routine like their living, discipline, training, and also having so much fun.

PRACTICAL SESSIONS AND WEAPON FAMILIARIZATION

Throughout the camp, participants attended a series of informative lectures designed to deepen their understanding of military tactics and procedures. These theoretical sessions were complemented by practical exercises, allowing the cadets to apply their knowledge in realistic scenarios. This combination of learning approaches helped to solidify their skills and prepare them for future challenges
