➤ **Visit of Hono'ble Minister, Member of Parliament, MLA and other dignitaries with details (04-03-2025)**

On 4th March 2025, 51 student volunteers from Indus University's National Service Scheme (NSS) unit, accompanied by Dr. Hirak Joshi and Dr. Sunaina Makwana, visited the Gujarat Assembly's running session. This educational excursion provided students with firsthand experience of the legislative process, shedding light on how laws are created, debated, and enacted.

During the visit, students gained valuable insights into the roles of elected officials, the structure of government, and the significance of the legislative branch in a democratic system. They also learned about policy formation and the arguments presented for and against specific laws.

A highlight of the trip was the opportunity for students to interact with Shri Shankar bhai Chaudhary, Speaker of the Gujarat State Legislative Assembly. This interaction provided students with a unique perspective on the functioning of the legislative assembly and the responsibilities of its members.
