Inside:
Indus Annual Fest 2025 Highlights
Record Placements

Hon'ble President of Indus University, Dr. Ritu Bhandari Featured in Avenues 2025 by The Indian Express!

We are thrilled to share that "The Indian Express", a leading English print media, has featured an insightful article by our Hon'ble President of Indus University, Dr. Ritu Bhandari, in its prestigious magazine 'Avenues 2025 (Page No. 19, dated March 30, 2025)! This esteemed publication showcases the visionary thoughts of leaders from top universities on the evolving landscape of education. Dr. Ritu Bhandari's article stands as a testament to her leadership, dedication, and impact in shaping the future of education.

Heartiest Congratulations to Dr. Ritu Bhandari, Hon'ble President of Indus University, on this remarkable achievement.

"Great leaders do not just imagine the future; they shape it with wisdom and purpose."

Youth Career Expo 2025 – A Day of Growth & Guidance at Indus University

Indus University successfully hosted the Youth Career Expo on Wednesday, 26th March 2025, in collaboration with Chhatra Sansad India and Australian Education and Career Consultants.

The Expo featured engaging masterclass sessions on topics such as Personality Development, Interview Readiness, and Leadership & Communication, followed by interactive counseling sessions that allowed students to receive personalized career advice. The day concluded with a grand closing ceremony, graced by inspirational leaders, including CA. Shah Bishan R., Chairman of the Indirect Tax Committee – WIRC of ICAI, and Mr. Vishvas Amin, Executive Director at the Indian Red Cross Society (IRCS), who shared valuable insights and motivated students to take confident strides toward their professional journey.

Excellence Recognized: Radhika Bhandari Represents Indus University

It is a moment of immense pride and joy to share that Miss Radhika Bhandari was invited by Times Now (Times Group) to participate in a prestigious panel discussion on the theme "Global Education Excellence" at the Radiant Gujarat Visionary Leaders Meet 2025 on 28 April 2025.

Representing both Indus University and WIIA, she showcased our institutions' excellence on the distinguished platform and was honored with accolades for Excellence in Aviation and for being a leading Technology University. The recognition was graciously awarded by the Education Minister of Gujarat.

UIDAI-NSS Initiative at Indus University

Indus University, in association with the Unique Identification Authority of India (UIDAI) & NSS, successfully organized an Aadhaar Card Updation Camp to help individuals in updating or correcting their personal details in Aadhaar records on 27th and 28th March 2025. This social service initiative benefitted more than 250 staff members and students, making the process more convenient and accessible for the Indus University community. The primary goal of the camp was to ensure that every member of the Indus University family has accurate and up-to-date information linked to their Aadhaar, thereby promoting efficient identity management and service delivery.

Indus University Celebrates Instincts 2025: Aethos, Collympics, And Sparx

Instincts 2025 – Indus University's Annual Festival, was scheduled from 5th March to 8th March. Various activities were organized under Aethos 2025, Collympics 2025 and SPARX 2025. Indus University concluded its grand fest season with the successful completion of Aethos 2025, Collympics 2025, and SPARX 2025, witnessing remarkable participation and enthusiasm from students.

Collympics 2025 saw a total registration of 2,000 students, making it one of the most engaging sports events held at the university. The fest featured an exciting mix of team and individual sports, where participants showcased remarkable athleticism and competitive spirit. Team sports like Basketball, Volleyball, Tug of War, and Kho-Kho were conducted through offline registrations, drawing large crowds and intense competition. Individual and other sports, including Badminton, Pickleball, Table Tennis, Chess, Carrom, Lawn Tennis, and Athletics events like 100m Running, 400m Running, Shot Put, Javelin Throw, and Long Jump, were held through online registration, with participants exhibiting remarkable focus and determination.

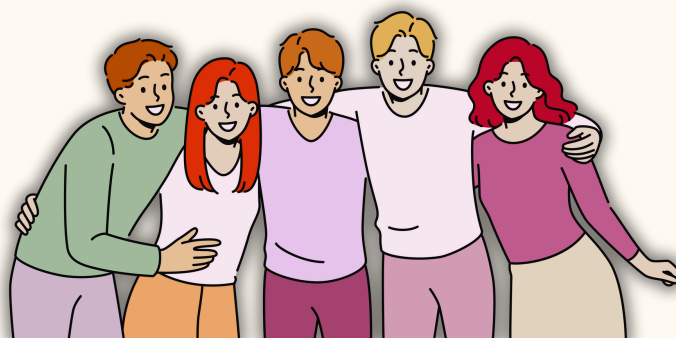

SPARX 2025, the university's flagship technical fest, drew 1,000 registrations and featured cutting-edge technological challenges and competitions. The event included innovative competitions like Airofoil Model Making, Parachute Dropping Design via Drone, and Glider contests that tested engineering skills. Intellectual challenges such as the Aviation Quiz and Puzzle, Maze Runner Challenge, and Poster Presentation: FutureScape – AI, IoT & Cybersecurity in 2050 engaged participants' strategic thinking. Events like LEGIS-VOX, The Fit-Quest, Inflate, Explode & Element Explorer Challenge, and the Talk-Show: Tune Talk added a multidisciplinary edge. Coding and problem-solving challenges such as Code Auction, Cryptic Hunt, Bug Hunt, Mind Clash, Code Domino, Tech-Hunt, and Origami in Engineering saw intense participation, with students applying technical knowledge and creative problem-solving skills. Tool Time rounded off the fest with a practical test of engineering and technical abilities.

Aethos 2025 emerged as the largest cultural and creative fest of the season, with an impressive total of 3,000 registrations. The event was a blend of art, music, literature, and creative expression. Highlights included Rhapsody, which combined high-energy dance, a vibrant fashion show, and soulful singing performances that captivated the audience. Abhivyakti showcased powerful theatrical presentations; Xenos featured creative fashion and personality contests; Ramat Gamat offered a fusion of traditional and modern games; Shabd celebrated the power of the spoken word through poetry and storytelling; Aakar highlighted artistic talent through visual arts; Game Up tested strategic thinking in intense gaming sessions; and Amusement Avalanche added to the lively atmosphere with fun-filled games and challenges.

The overwhelming response and enthusiastic participation from students across various departments made Aethos 2025, Collympics 2025, and SPARX 2025 a grand success, reinforcing Indus University's commitment to fostering talent, creativity, and sportsmanship.

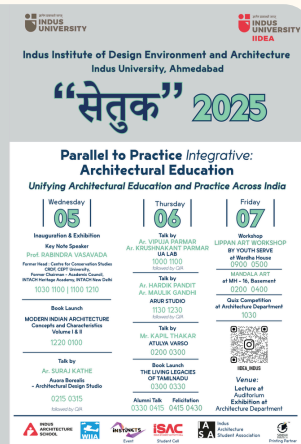

SETUK 2025 At Indus University Bridges Architectural Education And Practice Through Dialogue, Innovation, And Inspiration

SETUK 2025, held from 5th to 7th March 2025 at IDEA, Indus University, focused on the theme “Parallel to Practice Integrative: Architectural Education – Unifying Architectural Education and Practice Across India.” The event aimed to bridge the gap between architectural education and professional practice by bringing together architects from across the country.

The event began with an inauguration ceremony graced by Prof. Rabindra Vasavda, who delivered an insightful keynote speech. A key highlight was the launch of Modern Indian Architecture – Concepts and Characteristics (Volumes 1 and 2) by Prof. Vasavda and the Executive President of Indus University. An expert talk by Ar. Suraj Kathe concluded the day, offering valuable insights into modern architectural trends.

The second day featured expert talks by Ar. Vipuja Parmar, Ar. Krushnakant Parmar, Ar. Hardik Pandit, Ar. Maulik Gandhi, and Mr. Kapil Thakar, focusing on architectural challenges and design thinking. An alumni session by Ar. Navneet Savaliya and Ar. Ruchsha Thaker inspired students, followed by a felicitation ceremony recognizing student achievements.

The final day included engaging competitions and workshops such as the Architectural Quiz, Archi Hunt, and a Mandala Art Workshop, encouraging creativity and collaboration among students. SETUK 2025 successfully fostered dialogue between education and practice, providing a platform for learning and innovation.

"Swachhta Abhiyan 2025 – Mega Cleanliness Drive" – A Mega Cleanliness Drive Promoting Community Hygiene Awareness

Indus University and WIIA organized "स्वच्छता Swachhta Abhiyan 2025 – Mega Cleanliness Drive on March 10, 2025, at Indus University and the surrounding village areas of Palodiya, Nandoli, and Rancharda. The event involved iSAC, NCC, NSS, Rotaract Club, Women's Self Defense, and Indus Hostelites. The primary aim of the drive was to promote awareness about cleanliness and hygiene, encouraging community participation in maintaining a clean and healthy environment.

Indus NSS Unit Gains Insight Into Governance During Gujarat Assembly Visit

51 student volunteers from Indus University's National Service Scheme (NSS) unit, accompanied by Dr. Hirak Joshi and Dr. Sunaina Makwana, visited the Gujarat Assembly's running session on 4th March 2025. This educational excursion provided students with firsthand experience of the legislative process, shedding light on how laws are created, debated, and enacted.

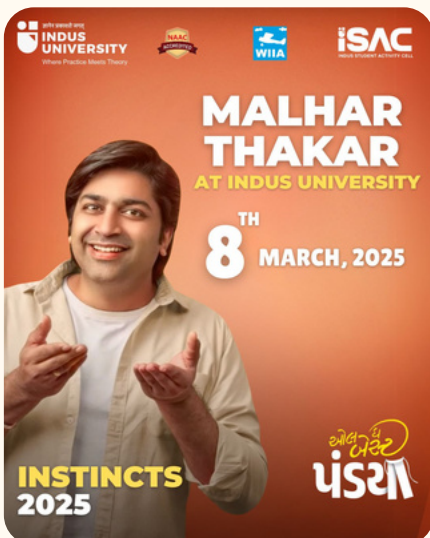

During the visit, students gained valuable insights into the roles of elected officials, the structure of government, and the significance of the legislative branch in a democratic system. They also learned about policy formation and the arguments presented for and against specific laws.

A highlight of the trip was the opportunity for students to interact with Shri Shankar bhai Chaudhary, Speaker of the Gujarat State Legislative Assembly. This interaction provided students with a unique perspective on the functioning of the legislative assembly and the responsibilities of its members.

Celebrating Gujarati Cinema: Indus University Hosts Star-Studded Promotion Of "All The Best Pandya"

Indus University hosted an exciting movie promotion event for "All the Best Pandya" on 8th March 2025. The event featured Gujarati cinema superstars Malhar Thaker and Darshan Jariwala, along with Yukti Randeria and other cast members. The stars were warmly welcomed by the Indus University community, creating an electric atmosphere filled with excitement and cheer. The event concluded with a lively photo session and a celebration of Gujarati cinema, leaving everyone with cherished memories and high spirits.

Indus Science Fest 2025

Indus Science Fest was held on 6th March 2025, bringing together over 200+ students in both online and offline modes. The event began with an inspiring inaugural session graced by Honorable Executive President, Dr. Sandeep Chakravorty, Chief Guest, Shri Jignesh Borisagar, and Guests of Honour, Dr. Paritosh Bhatt and Dr. Rootvish Mehta.

The session opened with a welcome address by Dr. Rootvish Mehta on behalf of Dean-IISHLS. He highlighted the theme of National Science Day 2025 and emphasized Indus University's commitment to nurturing scientific spirit among young minds. Dr. Mehta also shared the vision behind expert lectures, competitions, and interactive sessions planned for the day.

In his keynote, Dr. Sandeep Chakravorty encouraged students to actively engage in scientific exploration and make the most of such opportunities.

Chief Guest Shri Jignesh Borisagar, Prant Sachiv of Vigyan Gurjari and Research Engineer at Gujarat Power Research and Development Cell, spoke about the significant role of Indian science and scientists in nation-building. He also highlighted Vigyan Gurjari's initiatives and events designed to popularize science across the state.

Guest of Honour, Dr. Paritosh Bhatt, delivered an insightful talk on Sustainable Health for Viksit Bharat. He emphasized the importance of blending traditional remedies with modern healthcare, along with environmental sustainability, socio-economic awareness, and technological advancements.

The distinguished guests were felicitated for their valuable contributions, and the event concluded with a vote of thanks delivered by Dr. Manisha Vithalpura, marking the beginning of a day filled with innovation, learning, and scientific celebration.

Where Research Meets Creativity: Scientific Poster Presentation

As part of the Indus Science Fest, the Scientific Poster Presentation was organized by IISHLS, drawing participation from over 130 student groups across diverse disciplines. The competition was coordinated by Dr. Sarita Sharma and Prof. Kajal Chauhan, who ensured a seamless and engaging event.

The panel of judges featured esteemed faculty from multiple departments: Dr. Bansi Raja (Mechanical), Dr. Spandan Ranpariya & Dr. Rishit S. Shukla (Physics), Dr. Anil Suri & Dr. Paras Patel (Chemistry), Dr. Rootvish Mehta & Dr. Hardagna Vora (Mathematics), Dr. Ashutosh Shukla & Dr. Mayur Savaliya (Clinical Health), and Dr. Samir Patel (Civil).

After rigorous evaluation, the winners were announced:

- First Prize: Ms. Drashti Gajjar (B.Sc. II, Microbiology)
- Second Prize: Ms. Soniya Asodiya (M.Sc. II, Chemistry)
- Third Prize: Ms. Sneha Khetani, Ms. Heli Shah & Ms. Priya Sharma (Semester II, B.Tech CSE–A)

The event not only celebrated scientific inquiry but also showcased the creativity and research potential of Indus students.

Battle of Minds: Scientific Quiz Competition

As part of the Indus Science Fest, IISHLS organized a Scientific Quiz Competition, where 23 enthusiastic students showcased their knowledge and quick thinking. The event was smoothly coordinated by Ms. Mansi Shah from the Humanities Department, while Dr. Ajaykumar Yadav and Ms. Bhoomika Swami served as the esteemed judges.

After several engaging rounds of science-driven questions, the winners emerged:

First Prize: Ms. Yagna Mendha (B.Tech VI, CSE–C), Second Prize: Mr. Priyanshu M. Patel (B.Tech II, CE–B)
Third Prize: Mr. Mantavya Gupta (B.Tech II, CSE–G)

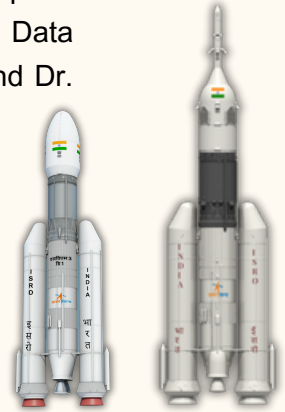

The competition not only tested the depth of scientific knowledge but also celebrated teamwork, curiosity, and the spirit of healthy competition among Indus students.

The winners of different events were awarded in the valedictory and prize distribution session.

Exploring the Frontiers of Space: Industrial Visit to ISRO

The Department of Computer Science, IICT, organized an industrial visit to Vikram Sarabhai Space Exhibition-ISRO on 27th March 2025 to provide students with practical exposure to space research and technology. A total of 47 students from B.Sc.-Computer Science & B.Sc. Data Science Semester- 2 & 4, participated in the visit accompanied by Mr. Sandip A. Gohil and Dr. Vaishali Patel.

MBA Operations Mgt. Students Gain Practical Insights

Dr Ratna Oza, Assistant Professor, Indus Institute of Management Studies (IIMS) planned, coordinated and accompanied students at Letra Graphix Pvt Ltd, Racharda on 12 March 2025. All 14 students of MBA Semester 4, Operations Management specialization participated. It was a fruitful visit which enlightened the students with practical knowledge about how material management, inventory management, purchase management, Quality control and Quality assurance activities are carried out in organisations.

Workshop On 'Mastering The Writing Skill'

English Department, Indus Institute of Sciences, Humanities and Liberal Studies (IISHLS), conducted a workshop on, "Mastering the Writing Skill" on 4th March, 2025. The session was conducted by Dr. Chintan Bhatt, Assistant Professor, English department, ISHLS.

Lippan Art Workshop

The Interior Design Department (IDS) conducted Lippan Art Workshop, on 7 & 8 March 2025 for the students of the 4th and 6th semesters which provided an incredible opportunity for students to dive into the traditional craft of Lippan art. The students learned how to prepare the surface, apply the mud mixture, and intricately design the patterns. The final touch of embedding mirrors into the mudwork added a magical and dynamic element to their creations.

Expert Talk: Innovations In Earthquake-Resistant Building Design And Construction

The Civil Engineering Department at IITE, Indus University, in association with The Institution of Engineers (India) (IEI), successfully conducted an expert talk on "Innovations in Earthquake-Resistant Building Design and Construction" on 12th March 2025. This session aimed to provide students with in-depth knowledge of modern seismic-resistant construction techniques and their practical applications in structural engineering. Major Dr. Chaitanya S. Sanghvi, a Senior Professor at L.D. College of Engineering, Ahmedabad, was invited as the keynote speaker. With his extensive expertise in structural engineering and earthquake-resistant design, Dr. Sanghvi delivered an insightful session covering advanced engineering practices, innovative construction methodologies, and the significance of structural resilience in seismic-prone regions. 47 students from the Civil Engineering department actively participated in the session. Dr. Ankit Sodha efficiently managed the event's organization and execution under the guidance of Dr. Payal Mehta.

Two-Day Workshop On Computational Drug Discovery Tools

Department of Chemistry, IISHLS, successfully conducted a two-day workshop on Computational Tools for Drug Discovery on March 10–11, 2025. This workshop provided hands-on training in cheminformatics and bioinformatics, focusing on molecular modeling, docking, and dynamics using industry-standard software. A total of 59 participants, including UG and PG students, research scholars, and faculty members from IISHLS and IIPR, Indus University, as well as institutions such as Gujarat University, Gujarat Technological University, Silver Oak University, and L.J. Institute, actively participated in the sessions.

Ashna Mori Speaks for Change at State-Level Youth Parliament

It is a moment of great pride and joy for Indus University as Ms. Ashna Mori from IIPR/NSS has been selected for the State Level Round of the "Voice Your Vision: Be the Change" initiative under the Viksit Bharat Youth Parliament 2025. This prestigious initiative is a part of "My Bharat", conducted under the NSS Scheme by the Ministry of Youth Affairs and Sports, Government of India.

Ashna successfully cleared both preliminary and district-level screenings, and went on to represent Indus University at the Gujarat Assembly on 29th March 2025, where she delivered an impactful presentation on the "11 Sankalp on Samvidhan Divas".

Faculty Achievements

Dr. Zalak Patel Completes AICTE ATAL FDP on RF Energy Harvesting

Dr. Zalak Patel, Assistant Professor, Department of Electronics and Communication Engineering has successfully participated & completed AICTE Training and Learning (ATAL) Academy Faculty Development Program on “Antennas & RF Circuits for Radio Frequency Energy Harvesting Applications for energizing low power devices” at Tripura University from 24th February to 1st March 2025.

Dr. Vrushank M Shah Recognized for Reviewer Role at International Conference on Smart Computing

Dr. Vrushank M Shah, HoD, Electronics and Communication Engineering was awarded Certificate of Appreciation for his valuable contribution as a Reviewer of research papers for the First International Conference on Advances in Smart Computing and Applications (ICASCA - 2025). The conference was organized by GLS University, India, and took place on February 15-16, 2025.

Research Publication On Bim And Sustainability In Q2-Ranked Journal

Mr. Raj Modi, a PhD Scholar and Dr. Samir Patel, Assistant Professor in the Civil Engineering Department published a research paper titled “Scientometric Review of Research Trends in Building Information Modelling (BIM) with Sustainability for the Real Estate Sector” in Journal of Sustainable Real Estate, published by Taylor & Francis, a Q2-ranked journal.

The article can be accessed here:
<https://doi.org/10.1080/19498276.2025.2466965>

FDP on Incubation & Accelerator Manager's Capacity Building at EDII

Dr. Ketan Lakhtaria attended six days faculty development program on "Incubation and Accelerator Manager's Capacity Building Program" from 17 March 2025 to 22 March 2025 at EDII, Ahmedabad, organised by Entrepreneurship Development Institute of India sponsored by SSIP, GKS, DTE and Education Department, Government of Gujarat.

Webinar Participation on Descriptive Data Analysis using R Programming

Dr. Akash Thakkar, Assistant Professor in the Department of Mathematics at ISHLS, has successfully participated in the Webinar on "Descriptive Data Analysis using R Programming" held on 15th March, 2025 at Lokmanya Institute of Management and Computer Application, affiliated with GTU.

Oral Presentation at GCLS-2025 on Intermolecular Interaction in Carvone-Hydrocarbon Binary System

Ms. Kajal Chauhan, Lecturer presented an oral title "Investigation of Intermolecular Interaction in Carvone-Hydro Carbon binarysystem: An integrated analysisi using Thermophysical, Optical, Acoustical and Computational Techniques" Green Chemistry and Laboratory sustainability (GCLS-2025)" jointly organized by Department of Chemistry, pandit Deendayal Energy University Gandhinagar,Gujarat & Department of Chemistry, Sardar Patel University, Vallabh Vidyanagar, Gujarat, India, held on March 19, 2025.

Successful Completion Of Ugc-Sponsored Guru-Dakshta Faculty Induction Programme With Grade 'A'

Dr. Sarita Sharma, Assistant Professor, Health Science - Microbiology Department at the Institute of Science, Humanities, and Liberal Studies has successfully completed the UGC Sponsored Guru - Dakshta (1st Faculty Induction Programme) conducted from 27 January 2025 to 22 February 2025 in online mode organized by UGC-MMTC (Malviya Mission Teacher Training Programme), Indian Institute of Teacher Education, Gandhinagar and has been awarded a Grade A.

First Place For Third Consecutive Year In Kitchen Clash At Instincts 2025

Assistant Professor Dr. Jishnu Gohel, Assistant Professor Mr. Shantamallappa of Civil Engineering Department and Assistant Professor Mr. Shaswat Padalia of Mechanical Engineering Department participated and stood first for the third consecutive time in the competition of Kitchen Clash – Faculty & Staff Competition at INSTINCTS 2025

Recognition For Research Excellence: Research Scholar Secures Best Poster Award At Ganpat University Conference

Mr. Yuvrajsinh Rajput, a Ph.D. research scholar under the supervision of Dr. Vishwajit Chavda and Dr. Rawesh Kumar (Joint Supervisor), has been awarded the "Best Poster Presentation Award" in Advances in Chemical and Biological Sciences for Sustainable Development-2025 (NCACBSSD-2025). The conference was organized by Ganpat University (GUNI), Mehsana, Gujarat in collaboration with DST-India, on March 11-12, 2025. From more than 150+ posters, he got the first price for "Best Poster Presentation Award".

Research Paper Presentation On Integration Of The Indian Knowledge System Into Modern Curriculum

Dr. Chintan Bhatt, Assistant Professor, Department of Languages (English), IISHLS presented a paper in the National conference on Indian Knowledge System and Internationalization of Higher Education organized by IITE, Gandhinagar on 27 & 28 February, 2025. The paper was titled "Bringing back India's Academic Uniqueness through the Integration of the Indian Knowledge System into Modern Curriculum".

Dr. Parul Shah and Dr. Krupa Modi Present Research on E-Service in Gujarat

Dr. Parul Shah, Assistant Professor and Dr. Krupa Modi, Assistant Professor from Department of IIMS, Indus University, participated and presented a paper titled 'Using Electronic Service Efficiency to Examine Customer Experience: An Entrepreneurial Viewpoint with a Focus on Gujarat Banking Environment at the 2-day Virtual International Conference: Artificial Intelligence in Interdisciplinary Studies.

This conference was organized by Deviprasad Goenka Management College of Media Studies, Maharashtra, held on 7th and 8th of March 2025.

Research Publication in European Economic Letters on Indian Accounting Standards

Lt. Dr. Parshva Shah, Assistant Professor, IIMS published paper titled 'Integrating Indian Accounting Standards into Global Financial Reporting: A Comprehensive Analysis' in European Economic Letters, Journal Indexing: ABDC, Vol. 15, Issue 1 (2025), ISSN No. : 2323-5233, DOI: <https://doi.org/10.52783/eel.v15i1.2606>

Flavours Of Success: Team DCS Wins Second Prize In Kitchen Clash 2025

Dr. Vaishali Patel, Assistant Professor, DCS, IICT, Ms. Manisha Bhatol and Ms. Hirva Gohel participated in the event of Kitchen Clash on 6 March 2025 under the Instincts and got the second prize.

Reviewer At Scopus-Indexed International Conference On Sustainable Computing 2025

Dr. Amrita Sharma, Assistant Professor, DCS, IICT contributed as a Reviewer in the “ International Conference on Sustainable Computing & Intelligent Systems (ICSCIS-2025)” held on March 21 - 22, 2025 organized by Research & Development Cell, Poornima University, Jaipur, Rajasthan, India, indexed by Scopus.

Participation In National IP Awareness Program By Intellectual Property Office, India

Ms. Archana Srivastava, Assistant Professor, DCS, IICT participated IP Awareness/Training program National Intellectual Property Awareness Organized by Intellectual Property Office, India on 21st March, 2025

Participation In Fdp On Systematic Research Paper Writing

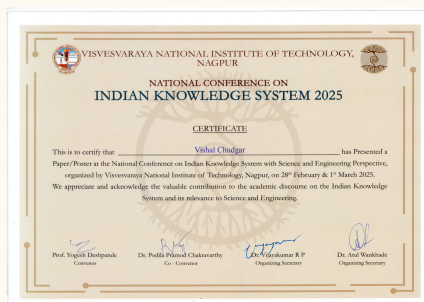

Ms. Archana Srivastava, Assistant Professor, DCS, IICT participated in 5 days certification FDP program on "A Systematic Way Of Research Paper Writing" organized by Research Foundation Of India Associated with Parul University from 18th to 22nd March 2025

Research Poster Presentation on Earthen Architecture at VNIT Nagpur Conference

Associate Professor Ar. Vishal Chudgar presented his research poster (in absentia) under the theme Prithvi on "The Roots of Earthen Architecture in Indian Knowledge Systems: Case of Rammed Earth" at the National Conference on Indian Knowledge Systems with Science and Engineering Perspective, organized by Visvesvaraya National Institute of Technology (VNIT), Nagpur, in association with the Indian Institute of Information Technology (IIIT), Nagpur, on 28th February and 1st March 2025.

The research abstract is part of the conference proceedings booklet titled "National Conference on Indian Knowledge Systems with Science and Engineering Perspective—28th February & 1st March 2025."

Transforming Learning Landscapes: A Thoughtful Exchange with Dr. Anil Sahasrabudhe

Indus University and the Western India Institute of Aeronautics had the privilege of hosting Dr. Anil Sahasrabudhe, Chairman of the National Educational Technology Forum (NETF), Executive Committee of National Assessment and Accreditation Council (NAAC), and National Board of Accreditation (NBA), on March 29, 2025, during his campus visit. His presence brought immense value as he engaged in insightful discussions on the future of education and technology and interacted meaningfully with students. Dr. Sahasrabudhe's perspectives on academic innovation and excellence were both inspiring and thought-provoking. The visit also provided an opportunity to present Indus University and WIIA's vision, infrastructure, and initiatives, reinforcing our dedication to quality education and transformative learning.

Indus University Signs MoU with Force Motors

Indus University, has entered into a Memorandum of Understanding (MOU) with Force Motors LTD through the Automobile Engineering Department. The aim is to establish a collaborative framework, enhancing academic and professional opportunities for students in the Automobile Engineering Department and other allied domains.

The signing ceremony, held on April 4, 2025, was attended by esteemed representatives Mr. Ajay Upadhyay and Mr. Akhilesh Gaikwad from Force Motors LTD and Indus University Officials.

Shiv Shakti Sangam: A Divine Cultural Showcase

WIIA-IIATE, Indus University organized 3 shows of Drama- Shiv Shakti Sangam on 2 April 2025 by inspiration from Hon. Presidential Secretariat. This play was inspired by Shiv Malappuram. Approximately 2000 people experienced divinity through this play.

A Vision for Unity: Shri Vijaybhai Rupani on “One Nation, One Election”

Indus University & WIIA-Western India Institute Of Aeronautics had the honor of hosting Shri Vijaybhai Rupani, Prabhari of Bharatiya Janata Party (Punjab & Chandigarh) and Former Chief Minister of Gujarat, on 8th April 2025, for a special address on the topic “One Nation, One Election”. The session was part of a national awareness initiative aiming to engage students in meaningful discourse on electoral reforms and democratic synchronization in India. Shri Vijay Sharma, an Advocate at the High Court of Gujarat, also joined the event and contributed valuable insights. During his visit, Shri Rupani explored the vibrant campus of Indus University, interacted with faculty members, and appreciated the world-class infrastructure and academic atmosphere. His presence and words inspired the audience, providing them with a deeper understanding of the concept of unified elections and their potential impact on governance.

Model Exhibition on Environmental Conservation

In light of growing global concerns regarding climate change, pollution, and sustainability, the Department of Civil Engineering, IITE, Indus University, in collaboration with The Institution of Engineers (India) – IEI, organized a Model Exhibition on Environmental Conservation on 11th April 2025. The aim of the exhibition was to foster awareness, creativity, and interdisciplinary thinking among students to address various environmental challenges through practical and innovative solutions.

The exhibition witnessed enthusiastic participation from 250+ students across multiple branches, including Civil Engineering, Mechanical, Computer Science, Electrical, and Environmental Engineering. Over 60 models were presented, reflecting creative and practical approaches to real-world environmental problems. The event was organized by Dr. Ankit Sodha and Dr. Jishnu Gohel. All activities were carried out under the valuable guidance of Dr. Payal Mehta, the jury members for the fair included Dr. Ketan Lakhtaria & Prof. Ritesh Patel.

Alumni Talk: 'Bridging Theory and Practice: Structural Design Essentials'

The Civil Engineering Department, IITE, successfully organized an engaging Alumni Talk on "Bridging Theory and Practice: Structural Design Essentials" on 18th April 2025. The session was conducted by our distinguished alumnus, Mr. Hiren Shah, Structural Design Engineer at S3M Design Consultants LLP, Ahmedabad. A total of 23 students from the 4th and 6th semesters actively attended the session, participating in interactive discussions that helped bridge the gap between classroom learning and industry expectations. The event was successfully coordinated by Asst. Prof. Ritesh Patel and Asst. Prof. Shantamallappa.

Empowering with Equality: A Workshop by WDC

Workshop on "Women Empowerment: Equality, Not Extremism" was organised by the Women Development Cell of Indus University, in collaboration with Divya Jyoti Jagrati Sansthan (DJJS) on 9th April 2025.

The event opened with a warm welcome and ceremonial lamp lighting. DJJS representatives shared inspiring messages, setting the tone for the day. Interactive segments like an ice-breaker activity and myth-vs-fact polling session encouraged open dialogue on gender equality. These activities aimed to challenge stereotypes and promote balanced perspectives. A compelling short play, "Toxic Feminism or Toxic Humanism?", and a ballet performance portraying the journey of U-20 World Wrestling Champion Ms. Antim Phangal captivated the audience. The screening of a documentary on the Tu Hai Shakti campaign further highlighted the global movement for empowerment. The keynote by Sadhviji Bhagirathi Bharti Ji emphasized the importance of true equality without extremism. Peer educators were felicitated under the Tu Hai Shakti 2.0 initiative. The event closed with a heartfelt vote of thanks, marking a step toward building a more inclusive and empowered academic environment.

Divine Blessings on Hanuman Jayanti

On the auspicious occasion of Hanuman Jayanti, Indus University organized a soulful Sundarkand Path on campus. The event brought together students, faculty, and staff in a spiritually uplifting atmosphere, filled with devotion and positive energy, as they sought the blessings of Lord Hanuman.

Gujarati Movie "Shastra" Promotion at Indus University

On 24th April 2025, the star cast of the Gujarati movie "Shastra" – Chetan Dhanani, Pooja Joshi, and Hemin Trivedi – visited Indus University for a promotional event. Aligned with the movie's cybercrime theme, the actors explored the university's state-of-the-art Cyber Security Lab, where they interacted with faculty and students about cybersecurity, ethical hacking, and digital forensics.

Pooja Joshi and Chetan Dhanani inaugurated the university's new Admission Center in the presence of senior officials, marking a key milestone in student outreach. The visit culminated in an energetic fan interaction session, where the stars shared behind-the-scenes experiences, clicked photos, and signed autographs for excited students. The Indus Student Activity Cell (iSAC) seamlessly coordinated the event, creating a unique convergence of cinema and technology that resonated across campus. This initiative not only promoted the film but also highlighted Indus University's leadership in technical education and industry engagement.

Indus University Cricket Team at Spree 2025

We are proud to announce a remarkable achievement by our Indus University cricket team, who clinched a fantastic victory against Krea University (Andhra Pradesh) in the league round of Spree 2025, the prestigious sports tournament organized by BITS Pilani, Goa. The match was a thrilling display of skill, strategy, and teamwork, reflecting the true spirit of sportsmanship. This win not only marks a proud moment for Indus University but also sets a strong tone for the upcoming matches in the tournament.

Campus to Corporate: IIMS Finishing School Program

Indus Institute of Management Studies(IIMS) organized a 30 hour Finishing School Certificate Program for students of MBA(2 yrs), IMBA(4 yrs), BBA (5 years) and B.Com. The Certificate program was organized for 9 days from 12 April to 24 April 2025. The topics included Corporate Expectations, Professional communication - Personal Grooming and Professional Dressing, Aptitude tests & Psychometric tests, Dining etiquette , Email writing, Writing official messages through whatsapp /SMS, Written tests in recruitment process, SWOT analysis & Resume building, Group Discussion and Personal Interviews. Hands-on training on fine dining was provided to the participants at Jaiswal canteen. Video mirroring exercise was done of interviews conducted by the invited alumni. The program was conducted by Dr. Dipti Sethi, Professor of Practice - IIMS and Dr. Daisy Kurien, Associate Professor-IIMS under the leadership of Dr. Umang Patdiwala , HoD - IIMS.

The salient feature of the certificate program included sessions by Expert Mr. Shramik Shah- Management and Business Consultant, Alumni Mr. Sanksar Barot-UX engineer at Resonance(US based CRO), Alumni Ms. Shivani Patel -HR Officer at D'mart and Alumni Ms. Priya Sharma- HR officer at Bosch Rexroth Pvt India Ltd. Total 35 participants attended the certificate program.

Expert Talk: Navigating the Mutual Fund Landscape

On Thursday, 3rd April 2025, the Indus Institute of Management Studies (IIMS) organized an insightful Industry Guest Session featuring Mr. Abhishek Pankaj, Head of IFA and ND Channel at SBI Funds Management Ltd (SBI Mutual Funds). The session focused on the theme "Mutual Funds – Opportunities and Challenges". Mr. Abhishek Pankaj delivered a comprehensive PowerPoint presentation, shedding light on various aspects of mutual funds, including their structure, benefits, market potential, and associated challenges. The session was attended by over 115 management students, who found the discussion highly informative, engaging, and valuable for their understanding of financial markets.

Design with a Conscience: The Other Side Installation

On 19th April 2025, the Foundation Year (Second Semester) students of Indus Design School presented a compelling installation titled “The Other Side”—a thought-provoking exploration of human experiences and social realities often left unspoken. This multi-sensory installation invited visitors to engage with spaces that evoked sound, touch, and vision, immersing them in a series of emotional and reflective environments. The work was not only a display of design thinking but also an act of social commentary, bravely addressing complex themes such as molestation, sustainability, gender equality, and poor living conditions.

Each zone of the installation represented a distinct cause, crafted to challenge perceptions and encourage empathy. From echoing whispers in a darkened corner to fragmented visuals and tactile textures that simulate discomfort, students used design as a medium to voice the untold stories from "the other side" of society. This exhibition served as a remarkable showcase of emerging design sensibilities, where creativity met conscience. The students successfully demonstrated how design can transcend aesthetics to become a powerful tool for awareness, dialogue, and change. The faculty coordinators were Arya Nair and Sonu Kumar

Empowering Confidence: MDP on Personality Development

Indus University, in association with MSME, Indore, and NSS Indus University, successfully organized a one-week sponsored Management Development Program (MDP) on Personality Development and Confidence Building on March 31, 2025. The program was open to undergraduate and postgraduate students from both Indus University and other institutions, specifically for those belonging to the Scheduled Tribe category. Focused on holistic personal growth, the MDP provided valuable training to enhance self-confidence, communication skills, leadership qualities, and emotional intelligence, equipping participants with essential tools for their academic and professional journey.

Design Dialogues: B.Arch. Semester IV and VI and VIII Mid-Semester Juries

The Mid-Semester Jury for the Semester VIII Urban Insert Studio was conducted on the 16th and 17th of April 2025. Urban planners and designers, Ar. Piyush Pandya and Ar. Tarun Patel, served as a jury member, providing valuable insights to guide students in the further development of their designs for the final jury. The studio is coordinated by Assistant Professors Priyanka S, Shruti Zori, and Komal Thawrani, along with visiting faculty member Ar. Ashish Trambadia.

As part of B.Arch. Semester IV - Design Project, Mid-semester juries were conducted on 8 and 9 April 2025. Architects and academicians Sanal Thathapuzha, Aman Sharma along with Suraj Kathe gave pertinent input as external jurors. Prof. Dr. Monika Gupta and Prof. Rakshith Chhatrala coordinated and conducted the proceedings. Architects and academicians Vikas Shah and Ekta Gohel gave pertinent input as external jurors. Prof. Pratik Zaveri and Prof. Vishal Chudgar coordinated and conducted the proceedings for the B.Arch. Semester VI students.

The Finishing Touch: Tech, Aptitude & Soft Skills Series

The Department of Computer Science, IICT, organized 15 days of The Technical Enhancement, Aptitude Preparation and Soft Skill Grooming session specifically for the final year of Graduate and Postgraduate Students. The faculty members of the department took sessions on the various topics which included Personal interview, grooming, Python programming, Software Engineering and Project management, UI/UX, Object oriented programming, C Programming language concepts, Laravel .NET core, Networking Concepts, Database Management Systems, Data Structures and Career Guidance. 50+ students registered themselves for the session and the enthusiastically participated in it.

Academic Alignment: Parents-Teachers Interaction

Parents-Teacher Meeting of Chemistry department, IISHLS was held on 12 April 2025 for B.Sc and M.Sc students to discuss academic progress, attendance, and overall performance. Faculty members interacted with parents to provide valuable feedback and address concerns. The meeting aimed to strengthen collaboration between teachers and parents for the betterment of students' academic journey.

Academic Visits

Legal Minds Engaged in National Election Dialogue

Ms. Radhika Bhandari Ma'am, Dr. Suketu Jani Sir, Ms. Vihasi Shah (Faculty Coordinator) and a group of students of the Indus Institute of Law attended a Seminar on 'Impact of One Nation, One Election on the Society', organized by the Lawyers for One Nation, One Election – Gujarat State' on 26th April, 2025 at Thakorbhair Desai Hall, Law Garden, Ahmedabad. The event featured insightful discussions led by eminent personalities, including Hon'ble Mr. Justice Ravikumar R. Tripathi (Retired Judge, Gujarat High Court) & Mr. Sanjay Prasad (Retired IAS Officer). Both speakers provided valuable perspectives on the legal, administrative, and social impacts of the One Nation, One Election proposal, highlighting both the potential benefits and the challenges associated with its implementation.

Bridging Theory and Practice: IIPR at Lincoln Pharma

Indus Institute of Pharmacy and Research (IIPR, Approved by PCI) affiliated to Indus University (NAAC Accredited) embarked on an exciting industrial visit to Lincoln Pharmaceutical, Khatraj (US-FDA Approved Plant) on April 11, 2025 with total 41 students from Semester 4th and 6th of B. Pharm. As part of their experiential learning program, this visit provided hands-on exposure to solid dosage form and Capsule dosage form manufacturing processes. pharmaceutical operations including formulation techniques, quality assurance and regulatory compliance. Such industry visits bridge the gap between theoretical knowledge and practical application, empowering students to gain a comprehensive understanding of pharmaceutical technologies and their professional implications.

Mechanical Students Explore Industry at Axis Solutions

The Department of Mechanical Engineering, IITE has organized an Industrial Visit at “ Axis Solution Private Limited.”, Ahmedabad on 4 April, 2025. Total 20 students of B.Tech Mech Sem 6, and Diploma Sem 4 were accompanied by Prof. Rahul Patel in this Industrial Visit.

Exploring Operations and Management at AMUL Anand

IIMS students visited the AMUL Dairy plant at Anand, Gujarat on 11th April 2025 for an industrial visit, which has been overwhelmingly positive, with students gaining valuable insights into the dairy industry's operations and management practices.

Two faculties from IIMS Department Ms. Swapna Singhal and Dr. Ratna Oza accompanied this trip. A great learning experience for all students.

Students Dive into Port Operations with Adani

Under the supervision of Dr Dipesh Dasani, Dr Krupa Modi, and Ms Khushali Patel from IIMS, organized an industrial visit to Adani Port, the Udaan project, an initiative by Adani Foundation. Students gained hands-on experience and insight into industrial operations and learned about Adani's operations, challenges, and best practices. Students interacted with industry professionals, potentially opening doors for future opportunities. The visit was informative, engaging, and beneficial for the students' personal and professional growth.

Adani Mundra Port Visit Fuels Practical Learning

On 29th April 2025, IIMS Department of Indus University organized a 2 days industrial visit to Adani Mundra Port, one of India's largest and most modern ports. The visit provided us with valuable insights into the port's operations, infrastructure and sustainability initiatives.

The Trip was organized and supervised under the guidance of Faculty members Ms. Swapna Singhal and Dr. Richa Verma. The visit helped students to understand the complexities of port operations, including cargo handling, logistics, and supply chain management. Gained insights into the importance of sustainability in port operations and the initiatives taken by Adani Mundra Port to reduce its environmental footprint. The visit highlighted the importance of safety measures in industrial settings and the need for robust emergency response plans.

Legal Learning Deepened Through High Court Exposure

On 26th March 2025, the Indus Institute of Law (IIL), Indus University, organized an educational visit to the Hon'ble Gujarat High Court in Ahmedabad, offering students a practical glimpse into the judicial system. A group of 35 students actively participated in this insightful visit. During the visit, students had the unique opportunity to observe live courtroom proceedings, allowing them to witness the legal system in action. They also interacted with experienced advocates and chambers, gaining valuable exposure to real-world legal practices. The visit included a tour of the prestigious High Court library, renowned for its vast collection of legal texts and reference materials.

Linking to the Future: LinkedIn Workshop Empowers BBA Students

On 17th April 2025, a LinkedIn awareness session was held for BBA students. The session was designed to help students understand the significance of a strong professional online presence. Key topics included building an optimized LinkedIn profile, personal branding, and networking strategies. The session aimed to enhance the digital employability of students and prepare them for career advancement through professional networking platforms.

Faculty Achievements

Faculty and Research Scholars of Department of Chemistry expand their knowledge with FDP and Workshops.

Dr. Nikunj Valand and Dr. Vishwajit Chavda, Assistant Professors, as well as Ph.D. research scholars, Mr. Kenit Acharya and Mr. Yuvrajsinh Rajput of Department of Chemistry, IISHLS, have actively participated in Five Days International FDP (ONLINE) on Nanotechnology in Environmental Sustainability for Tomorrow (NEST'25)" organized by Department of Chemistry, Velammal College Of Engineering And Technology (Autonomous), Viraganoor, Madurai from 1 April 2025 to 5 April 2025.

Dr. Vishwajit Chavda, Assistant Professor, Chemistry department, IISHLS, as well as his Research Scholars, Mr. Kenit Acharya and Mr. Yuvrajsinh Rajput have actively participated in six days International Faculty Development Programme on "Emerging Materials for Sustainable Development" organized by Division of Chemistry, School of Sciences, SRM Institute of Science and Technology, Tiruchirappalli, Tamil Nadu, India on 21st – 26th April 2025.

Mr. Kenit Acharya and Mr. Yuvrajsinh Rajput, Ph.D. research scholars, Chemistry department, IISHLS under the supervision of Dr. Rawesh Kumar and Dr. Vishwajit Chavda, have actively participated in Two Days Research Methodology Workshop for research scholar of SHODH Scheme from 8 April 2025 to 9 April 2025 organized by Education department, Government of Gujarat.

Legal Insight on Leadership Bias Presented by IIL Faculty

Mr. Nikhil Harikumar, Assistant Professor, and Ms. Vihasi Shah, Assistant Professor, IIL successfully presented a research paper titled "Bias in Leadership: A legal Perspective on Indian Corporate Boardrooms" in the 'National Conference on Law as a catalyst for Women Empowerment' organized by United World School of Law, Karnavati University, Gandhinagar on 26th April, 2024.

Mr. Uday Patadiya Completes Prestigious Law Training

Mr. Uday Patadiya, Assistant Professor, IIL successfully participated and completed the Ten Days Capacity Building Program on ADR, Legal Aid and Allied Law jointly organized by 'JSS Law College, Mysuru and ProBono India' held in online mode from 7th April to 17th April, 2025.

Dr. Zalak Patel Explores Next-Gen 6G Frontiers

Dr. Zalak Patel, Assistant Professor, Department of Electronics and Communication Engineering (ECE) has successfully participated & completed Faculty Development Program on "Perspectives of 6G towards Next Generation Communication" organized by Shri SaiRam Engineering College, Chennai from 7 April to 11 April, 2025.

She has actively attended online webinar on "Today's Exams: The Role of Students, Teachers, Parents, and Society" dated 21 March, 2025, under the initiative TEERTH organized by Knowledge Consortium of Gujarat, Education Department, Government of Gujarat.

IITE Faculty Advance Sustainable Energy Solutions

Dr. A. D. Dhass and Dr. Dhiren R. Patel, Assistant Professors of Mechanical Engineering, IITE, published a research paper titled "Advancement in Thermoelectric Generators: A Sustainable Approach to Power Generation and Waste Heat Recovery" in the Journal of Information Systems Engineering and Management.

Dr. Dhiren Patel Publishes High-Impact Energy Research

Dr. Dhiren R. Patel, Assistant Professor, Mechanical Engineering, IITE, published a research paper titled "Enhancing Thermal and Mechanical Performance of Polymer-Based Phase Change Materials with Graphite Nanoplatelets: A High-Efficiency Approach for Energy Storage Applications" in the Journal of Polymer and Composites. (Impact Factor: 6.005).

Dr. Dhiren R. Patel, Assistant Professor, Mechanical Engineering, IITE, participated in the national webinar 'World IP Day 2025: IP and Music – Feel the Beat of IP' organized by Turnip Innovations and Qualcomm Inc. on April 25, 2025.

Dr. Hirak Joshi Engages in Ethnopharmacology Workshop

Dr. Hirak Joshi, Professor, Indus Institute of Pharmacy and Research (IIPR) has attended workshop on “Network Pharmacology: Synergizing Traditional Wisdom and Modern Science”, organized by Ramanbhai Patel College of Pharmacy, Charotar University of Science and Technology, Changa, Gujarat, India, in association with Society of Ethnopharmacology from March 17 to March 21, 2025.

Dr. Dipti Patel Advances Her Knowledge in Academic Publishing

Dr. Dipti Patel, Associate Professor, IIPR has successfully completed 6-day eFDP titled "Smart Research for the Digital Age: Mastering Grant Proposals, High-Impact Scopus Publishing, Patents, and AI-Driven Excellence" organized by Sardar Patel College of Pharmacy in collaboration with GTU, from 7th April to 12th April, 2025.

Dr. Hinal Shah gains knowledge on Intellectual Property Rights

Dr. Hinal Shah, Assistant Professor, Electrical Engineering, IITE, has attended the Faculty Development Program on Intellectual Property Rights (IPR) conducted from 17th to 22nd March, 2025 at the GTU campus. The program aimed at empowering faculty members with the knowledge and practical skills required to understand and handle various aspects of Intellectual Property Rights, including patents, trademarks, copyrights, designs, geographical indications (GIs), and plant varieties.

Dr. Vineeta Chauhan is Recognised for her Research and Reviewer Contributions

Dr. Vineeta Chauhan, Assistant Professor, Electrical Engineering, IITE, received Certificate of Publication in recognition of research contribution titled “Opportunities and Technical challenges in the Grid integration of Hydrogen Electrolyzers and Fuel cells” published by IGI Global Scientific publishing.

She received certificate of Appreciation for valuable support and cooperation as a Program Committee Member and Reviewer in 6th International Conference on Computer vision and Robotics held at National Institute of Technology ,Goa during April 25 to April 26 ,2025 .

Ms. Shruti Jaiswal Publishes her Impactful Research

Ms. Shruti Jaiswal, Assistant Professor, Computer Science Engineering, IITE, published paper titled “PawPromise-eAdoption: A Web-Based Platform for Pet Adoption ND community Engagement” in Journal of Emerging Technologies and Innovative Research (JETIR).

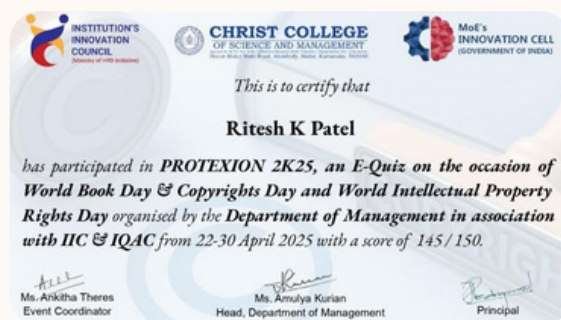

Dr. Samir Patel and Dr. Jishnu Gohel Presented Papers at International Conference

Dr. Jishnu R. Gohel, Dr. Samir Patel, Assistant Professors, Civil Engineering department, IITE, along with their students presented four research papers at the Second International Conference on Advances in Civil Engineering 2025 held on 02-04 April 2025, organized by Sant Gajanan Maharaj College of Engineering, Mahagaon, India in association with Chaitanya Bharathi Institute of Technology (A), Hyderabad and Technology Research and Innovation Centre, Pune.

Mr. Aman Pandey, student of M.Tech-Civil (Construction Project Management) contributed to research paper entitled “Identifying Factors Affecting For Selection of Supplier in Micro & Small Construction Work” while Mr. Tejkumar Patel, student of M.Tech-Civil (Construction Project Management) presented a research paper entitled “Resource Management in Construction Using IOT” and Mr. Romil Raj Bhatia, student of M.Tech-Civil (Construction Project Management) presented a research paper entitled “Cost Optimization through Construction Waste Management” with Ms. Krupaxi Poshia, a student of M.Tech-Civil (Construction Project Management) contributing a research paper entitled “Integrated Project Delivery Using Building Information Modelling: A Case Study of Building Project”

Mr. Ritesh Patel Marks IPR Week with Participation

Assistant. Prof. Ritesh Patel has participated in PROTEXION 2K25, a Quiz on the occasion of World Book Day & Copyrights Day and World Intellectual Property Rights Day organised by the Department of Management in association with IIC & IQAC, CCSM, Hosur - Malur Road, Sonnur, Karnataka, India from 22-30 April, 2025.

Dr. Krupa Modi Shines at GLSU Conference

Dr. Krupa Modi Assistant Professor, Department of IIMS, Indus University participated and presented a paper titled ‘A study of the banking industry on the importance of e-service quality in customer satisfaction’ at the 1-day Virtual International Conference: Advances in theory, Research and Practices in management (GLSU-ATRPM) where she got 1st position in best Research paper presentation Criteria. This conference was organized by faculty of management, GLS University, Ahmedabad. and held on the 15 th March 2025.

Congratulations

Dr. Tejal Shah Explores Generative AI in Research

Dr. Tejal Shah, Assistant Professor, IIMS, participated in Five day online Faculty Development Program on the power of Generative AI in Research and Education from 15th April to 19th April'25 Organized by School of Liberal Arts and Management Studies P.P. Savani University, Kosamba, Surat.

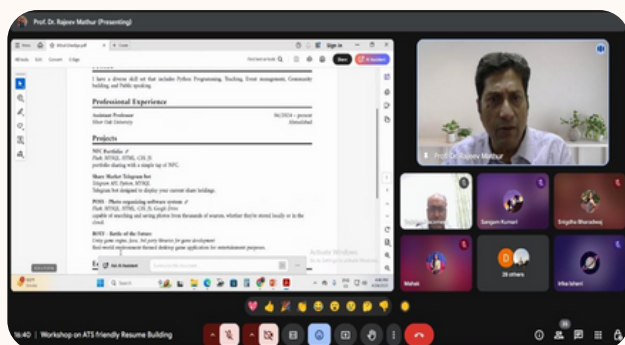

Dr. Chhatwani Evaluates Interior Design Innovations

Dr. Naresh Chhatwani, was invited as an external juror for Semester - VI End- semester juries at Karnavati University on 23 and 24 April 2025. He reviewed the works of students for interior design projects.

Dr. Rajeev Mathur Speaks at Resume Building Workshop for Career Readiness

Dr. Rajeev Mathur was invited as a keynote speaker in the workshop on ATS-Friendly Resume Building on 24th April, 2025 from 04:00 PM to 05:00 PM organized by Central University of Haryana, Mahendragarh.

IIT Mandi NPTEL Course Completed with Distinction by Ms. Bhavana Hotchandani

Ms. Bhavana Hotchandani has successfully completed NPTEL Online Certification course on "Large Applications Practicum" by IIT, Mandi With Elite certification.

Dr. Rajeev Mathur Chairs International Conference on Management, Engineering & Technology

Dr. Rajeev Mathur served as conference chair in an “International Conference on Recent Trends in Management Engineering & Technology (ICMET2025) held at Vishwabharti Academy’s college of Engineering , Ahilyanagar, Maharashtra. on 30-04-2025.

Ms. Bhavana Hotchandani Completes FDP on Software Engineering Pedagogy at IIIT Delhi

Ms. Bhavana Hotchandani attended a month-long Faculty Development Module from March 2025 to April 2025 on " Effective Teaching of Software Engineering" organized by Indraprastha Institute of Information Technology, Delhi (IIITD), Module Instructor was Prof. Pankaj Jalote.

“Progress is impossible without change, and those who cannot change their minds cannot change anything.”

George Bernard Shaw

133 Students Placed in Campus Drives with Packages up to ₹7 LPA

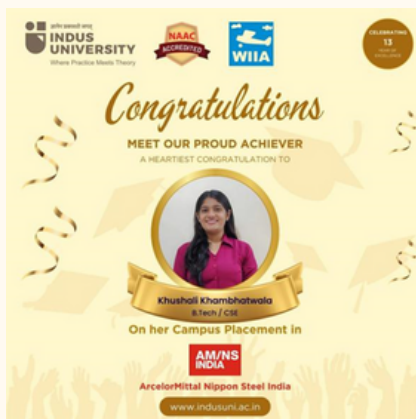

Campus drives of 2024-25 batch were held on virtual/hybrid mode. Total number of 133 students from B. Tech (CE/CSE/IT), MCA/MSc.IT, B. Tech (Mechanical, Metallurgy, Automobile), BA/IMBA, MCA/IMSc.IT, BSc. (CS) and B.Sc.DS) were selected with packages ranging of Rs.3.60 LPA and Rs.7.00 LPA.

LaunchEd Global Placement Drive

LaunchEd Global successfully conducted an online/virtual placement drive on 31st March 2025. A total of 15 students were selected with an impressive salary package ranging from ₹6.0 to ₹9.0 LPA. The selected candidates represented a diverse range of academic backgrounds, showcasing talent across multiple branches.

ArcelorMittal Nippon Steel (AM/NS) Placement Drive

A virtual placement drive was conducted by ArcelorMittal Nippon Steel (AM/NS) on 9th April 2025. This drive targeted B. Tech students from Mechanical, Computer Science, Civil, and IT disciplines for the role of Graduate Engineer Trainee (GET). The recruitment process was rigorous and involved multiple technical rounds followed by HR interaction. A total of 05 students were selected: 01 from Mechanical Engineering, 03 from Computer Science Engineering, and 01 from Information Technology. Each selected candidate was offered a package of Rs. 7.0 LPA along with additional benefits, making this one of the most rewarding drives of the month.

Hexacoder Technologies Placement Drive

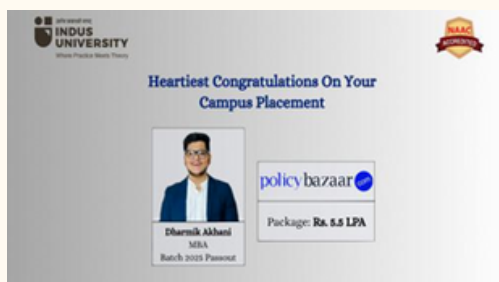

On 4th April 2025, a placement drive was conducted by Hexacoder Technologies for MBA students. The drive took place at the company office and offered roles for Relationship Officer and Relationship Manager. 01 MBA student was successfully placed with a compensation package of Rs. 3.0 LPA. The selection process involved initial screening, aptitude testing, and a final interview round.

Bajaj Allianz Life Insurance Co. Ltd. Placement Drive

On 15th April 2025, Bajaj Allianz Life Insurance Company Limited conducted an in-office placement drive for BBA students. The positions offered were Relationship Officer and Relationship Manager. 01 BBA student was selected through a series of personal interviews and assessments. The selected student received a job offer with a package of Rs. 3.5 LPA.

Policy Bazaar Placement Drive

An online placement drive was organized with Policy Bazaar on 17th April 2025. The drive was open to students from MBA, BBA, and B. Com programs, and offered roles for Relationship Officer and Relationship Manager. Following a round of online interviews and assessments, 01 MBA student was placed with an attractive salary package of Rs. 5.5 LPA. The drive saw good participation across all eligible courses.

Mitsubishi Elevator Placement Drive

On 18th April 2025, Mitsubishi Elevator conducted a placement drive at their company office. The drive was aimed at B. Tech students from Mechanical, Electrical, and Electronics & Communication Engineering for the role of Graduate Engineer Trainee (GET). 02 students from Electrical Engineering (2025 pass-out batch) were selected on a package of Rs. 4.0 LPA.

Vision Capital Internship Drive

On 18th April 2025, Vision Capital conducted an on-campus internship hiring drive. The drive was organized for MBA and BBA students. The visiting HR team, consisting of Ms. Alka Soni and Mr. Rakesh Thakkar, conducted pre-placement interactions followed by interviews. 4 BBA students were selected for internship opportunities. The drive provided students with valuable exposure to the selection process and helped them secure hands-on industry experience.

Aditya Birla Internship Drive

On 28th April 2025, Aditya Birla Group conducted an on-campus internship drive for BBA/MBA students. The recruitment team interacted with the students and conducted screening rounds. A total of 22 students were shortlisted for internships across various departments.

Civil Engineering Graduate Aman Gondaliya Cracks GSSSB Exam

Aman Gondaliya, a B.Tech. Civil Engineering Graduate - 2022 batch of Indus University has been selected by Gujarat Subordinate Service Selection Board (GSSSB) for the appointment as Senior Surveyor in Revenue Department, Government of Gujarat (GoG), India.

IIL Students Excel at 1st Trial Advocacy Competition – Nyay Abhyuday

It is with great pleasure and pride that we share the achievement of three students from the Indus Institute of Law (IIL) – Tisha Jain, Varsha Somani, and Yash Bhope – who participated in the 1st Trial Advocacy Competition, Nyay Abhyuday, organized by the National Forensic Science University, Gandhinagar, from 28th to 30th March 2025. The team successfully cleared two challenging rounds, demonstrating exceptional dedication, legal knowledge, and advocacy skills.

Their performance reflects the academic rigor and practical training imparted at IIL, and we commend them for their commendable representation of Indus University.

Successful Completion of Semiconductor Industry Training by ECE & ICT Students

Four of our students viz. Darsh Panchal, Akshat J Shah, Urvi Patel, Khush Patel, and Aangi Shah from the Electronics & Communication and ICT branches have successfully completed a 42-hour Intensive Online Training Program focused on “Semiconductor Assembly, Testing, and Packaging”. This specialized, industry-aligned training was conducted by Kaynes Semicon, a leading name in electronics manufacturing, currently establishing a state-of-the-art OSAT (Outsourced Semiconductor Assembly and Test) facility in Sanand, Gujarat. The program equipped students with essential technical knowledge and practical insights, enhancing their readiness to contribute to India’s rapidly advancing semiconductor ecosystem.

Physics Scholars Shine Bright: GATE, GSET, JAM & More!

We are pleased to highlight the remarkable achievements of our students from the Department of Physics (IISHLS) for the academic year 2024–2025.

Mr. Jay Niraj Mistry, M.Sc. Physics, Semester IV successfully qualified for GATE 2025 with an impressive score of 425. He cleared the GSET 2024 (Gujarat State Eligibility Test for Assistant Professor/Lecturer, UGC recommended). He also won First Prize in Poster Presentation under the theme Geography, Earth, Environment & Planetary Science at the 36th Gujarat Science Congress (GSC) held on March 22 & 23, 2025. The poster was titled: “Analyzing Physical Process of Ocean and Biological Response in the Bay of Bengal during the Cyclonic Period”

Mr. Sujal Prajapati, B.Sc. Physics, Semester VI, successfully qualified for IIT-JAM 2025, a prestigious Joint Admission Test for Master's Programs at IITs and IISc.

**Edited and Compiled by: Ms. Mansi Mehta, Dr. Abheepsa Vyas, Dr. Nikita Gadani,
Dr. Daisy Kurien and Dr. Nisha Thankachen**

Coordinated by: Ms. Meeta Agarwal

Team i360 acknowledges the contribution of all institute representatives.

IIICT- Ms. Mansi Mehta

IIMS - Ms. Swapna Singhal
