

1) Face Painting :

Unleash your creativity and turn faces into canvases! The Face Painting Competition is a vibrant and artistic event where participants can showcase their imagination and painting skills. Whether you create intricate designs or bold, colorful masterpieces, this competition is all about expression through art.

Rules and Guidelines:

Participation:

- **Participants can compete individually or in teams of two (one painter and one model).**
- **Each participant/team must bring their own paints, brushes, and other materials.**

Theme:

- **The competition will have a specific theme, which will be disclosed before the event begins. **
- **Creativity and originality in adhering to the theme will be a key judging criterion.**

Time Limit:

- **Participants will have 60 minutes to complete their artwork.**

Materials:

- **Only skin-safe, non-toxic paints should be used.**
- **Use of stencils, glitter, and additional accessories is allowed but must not cause any harm to the model.**

Judging Criteria:

- **Creativity and originality**
- **Neatness and precision**
- **Adherence to the theme**
- **Overall visual impact**

General Rules:

- **Participants must not use any pre-made stickers or printed images.**
- **The design must be painted (no masks or full prosthetics allowed).**
- **No offensive, inappropriate, or political content is permitted.**
- **Judges' decisions are final and binding.**

ID-card is mandatory for participation.

Let your imagination flow, and transform faces into living works of art!
