FutureScape: AI, IoT & Cybersecurity in 2050

Poster Presentation Event Rulebook

Welcome to FutureScape!

Hey everyone! We're super excited to bring you **FutureScape: AI, IoT & Cybersecurity in 2050** ‑ a poster presentation event where your ideas meet technology's future. Imagine the world in 2050 ‑ how AI will evolve, how IoT will reshape our daily lives, and how cybersecurity will stand as the shield in this hyper ‑ connected era. This is your stage to dream, create, and showcase what the future might look like. Let your imagination run wild!

Event Details

- **Organized by:** EC/ICT Department, E ‑ SYNC [Electronics and Communication Department Association]
- **Team Size:** 2-4 members per team
- **Registration:** First come, first served ‑ grab your spot fast!

Choose Your Theme

Pick a theme that excites you the most ‑ or mix a few ideas if you're feeling creative:

1. **AI in 2050:** Innovations, predictions, and the ethical side of AI
2. **IoT Ecosystems of the Future:** Smart cities, connected homes, and next-gen industries
3. **Cybersecurity in 2050:** How we'll tackle future threats in a world where everything's online

How to Get Started

1. **Registration**
   - Sign up with your team using the provided link or QR code.
   - Don't wait too long ‑ spots are limited!

2. **Poster Guidelines**
   - **Size:** A1 (594mm x 841mm)
   - Keep your design clean, bold, and easy to understand.
   - Use visuals ‑ diagrams, sketches, and flowcharts make a big impact.
   - Clearly highlight how your idea connects AI, IoT, or Cybersecurity to the future.

3. **Presentation Time**
   - Each team gets **5 minutes** to present their poster.
   - A **2-minute Q&A** session with the judges follows ‑ be ready to explain your thought process.
   - Everyone in the team should participate ‑ teamwork is key!

Judging Criteria

The judges will be looking for the following:

CRITERIA	WHAT MATTERS MOST	WEIGHTAGE
INNOVATION	Fresh, bold ideas that stand out	30%
TECHNICAL DEPTH	Your understanding of AI, IoT & Cybersecurity	25%
VISUAL APPEAL	Is your poster clear and engaging?	20%
FEASIBILITY	Can this idea work in the real world?	15%
PRESENTATION	How well you present and answer questions	10%

Rules to Keep in Mind

1. **Originality is a must:** No copying - plagiarism leads to disqualification.
2. **Time matters:** Stick to your allotted time for both the presentation and Q&A.
3. **Ethics first:** Make sure your ideas align with legal and moral boundaries.
4. **Respect everyone:** Any misbehavior will result in immediate disqualification.

➢ **all participants get e-certificates -** a great addition to your portfolio!

We can't wait to see what you come up with. The future is yours to imagine - so let's build a bold vision of 2050 together!
