## Message from the Executive President

**Prof. (Dr.) Sandeep Chakravorty**  
**Executive President, Indus University**

Welcome to Indus University, Ahmedabad, "**Where Practice Meets Theory**", a dynamic university where theory seamlessly integrates with practice. Our university has earned a distinguished reputation for its unwavering dedication to academic excellence and fostering intellectual growth.

At Indus University, we prioritize the holistic development of our students by providing them with a well-rounded education that combines theoretical knowledge with practical application. Our aim is to equip our students with the skills and competencies needed to thrive in their chosen fields. We believe in empowering our students to think critically, solve complex problems and adapt to the ever-evolving demands of the modern world.

By joining our university, you become part of a vibrant community that values intellectual curiosity, creativity and a commitment to lifelong learning. Our dedicated faculty members are passionate about supporting your academic journey and helping you reach your full potential.

In the wise words of Swami Vivekananda, "Arise, awake, and stop not until the goal is reached." Guided by this profound principle, Indus University aims to guide and empower students to reach their goals. We strive to be a supportive and nurturing institution, helping students unlock their hidden potential. We invite all stakeholders to join us passionately in transforming the vision of a self-reliant India into a reality. We are confident that students at Indus University will enjoy the lively campus life, participating in a wide range of curricular, co-curricular and extra-curricular activities.

Wish you all a rewarding, enjoyable and pleasant journey ahead.

## **Message To Students**

- ✓ Focus on the core knowledge and application essential to develop your skills.
- ✓ Acquire knowledge by being punctual in attending classes and submitting assignments on time.
- ✓ Be attentive and inquisitive.

## **Anti-Ragging Committee:**

Ragging includes any conduct by any student or students, whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness, a fresher or any other student, or indulging in rowdy or in non-disciplinary activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

### **Anti-Ragging Regulation**

1. Ragging" means "Causing, inducing, compelling or forcing a student, whether by way of practical joke or otherwise, to do any act which detracts from human dignity or violates his/her person or exposes him/her to ridicule from doing any lawful act. It also includes intimidating, wrongfully restraining, wrongfully confining, or injuring him or other by using criminal force on him/her or by holding out to him/her any threat of intimidation, wrongful confinement, injury or the use of criminal force".

2. Ragging in all its forms is totally banned in this university including in its constituent institutes, departments, all its premises (academic, residential, sports, cafeteria, etc.) whether located within the campus or outside and in all means of transportation of students.

3. The University is bound by the UGC Regulations on 'Curbing the Menace of Ragging in Higher Educational Institutions 2009'. The University has formed an Anti – Ragging Committee which ensures the prevention of any means of ragging including that of OBC students and students of marginalized /disadvantaged groups of the society. There has been no incident of ragging at Indus University till date.

4. It is mandatory for all the students and parents to submit an affidavit in the prescribed format available at the Student Section of the University on the day of admission. (Ragging is a criminal offence and Indus University ensures strict compliance of the regulation as laid down by the Supreme Court of India on the prevention of Ragging by constituting Anti-Ragging Committee)

The following punishments are prescribed by the UGC for participation in/or abetment of ragging:

1. Cancellation of admission.
2. Suspension from attending classes.
3. Withholding/withdrawing scholarship/fellowship and other benefits.
4. Debarring from appearing in any test/examination or other evaluation process.

5. Withholding results.
6. Debarring from representing the institution in any national or international meet, tournament, youth festival, etc.
7. Suspension/expulsion from the hostel.
8. Rustication from the institution for periods varying from 1 to 4 semesters or equivalent period.
9. Expulsion from the institution and consequent debarring from admission to any other institution.
10. Fine up to RS. 25,000/-.

The Indus University shall take strict action including but not limited to criminal proceeding and/or cancellation of admission against those found guilty of ragging and/or of abetting ragging and the burden of proof shall hereby lie on the perpetrator of alleged ragging and not on the victim. An offence of ragging may be charged either on a written complaint by the affected or on independent finding of the Anti-Ragging Committee.

# Student Code Of Conduct And Discipline Rules

## Part-I

### General

All students admitted into different institutes of the University will have to observe and abide by these rules prescribed by the University/Institute and he/she will submit to the disciplinary jurisdiction of the Executive President (Vice Chancellor), Head of the Institute and other competent officers or authorities or bodies of the University as the case may be.

**1. Attendance:** All must remain present during the institute's prevailing timing and attend all classes. A student with less than 80% attendance due to whatsoever reason, including medical ground and participation in extracurricular activities in a course, will be barred by the concerned faculty member from appearing in the course and in the Mid Semester Examinations (MSE) and End Semester Examinations (ESE).

**2. Dress Code:** The students are advised to wear decent dresses. They are free to wear fashionable dresses but dressing in a provocative or unkempt manner is not allowed as it dilutes the institute's culture.

**3. Language Code:** All students must use only dignified language while on the campus. All students are expected to maintain dignity while talking to faculty members, employees and other students of the institute. All students are advised to communicate in English only.

**4. Using Mobile Phones** in the lecture halls or instructional/academic area is strictly prohibited. The mobile phone would be seized and fine will be levied if any student is found violating the same.

**5. While on the Institute's campus,** all students are advised to take extra care of their personal belongings like purse, university bag, mobile phone, identity card, etc. In case you find any belonging, please deposit the same at the Student Section/Administrative Office. If any belongings are lost/stolen, the institute does not bear any responsibility for the same.

**6. All students are required to check the notice boards and emails regularly.** The students are required to keep themselves updated with different notices, circulars etc. and revisions in the rules, if any, from time to time informed through Emails/Website/Notices. For this, the students have to check through their email ID allotted to them through the University and also check the University Website/Notice Board regularly.

**7. All the rules and regulations,** procedures and systems being framed by the institute from time to time are required to be followed by all students.

**8. Indus Campus is a "Smoking, Tobacco and Drug Free Zone".** Chewing of tobacco & smoking and consumption of drugs on the campus is prohibited. All are requested to adhere to the prohibition of drinking alcohol in the campus. Spitting anywhere in the campus is strictly prohibited.

**9. Ragging or any kind of such activity is strictly prohibited** in the campus. It is a punishable act. Ministry of HRD, AICTE and Hon'ble Supreme Court of India also view it seriously and you can be put behind the bars and your admission can get cancelled.

## Part-II

### Academic Conduct and Discipline

The University attaches utmost importance to strict integrity and honesty in all segments of academic work. ## **Student Activity Cell (SAC):**

The Student Activity Cell of Indus University offers an environment for students to get involved and actively take part in a variety of campus events. It organizes a variety of activities, including social gatherings, cultural festivals, guest lectures, seminars, and competitions for sports. By organizing events, programmes, and initiatives that appeal to different interests, it enables students to interact with their peers, faculty members, and staff outside of the classroom setting. This promotes a feeling of community and belonging, making the educational environment more vibrant and diverse. SAC is vital for promoting student participation and boosting the overall educational experience at Indus university.

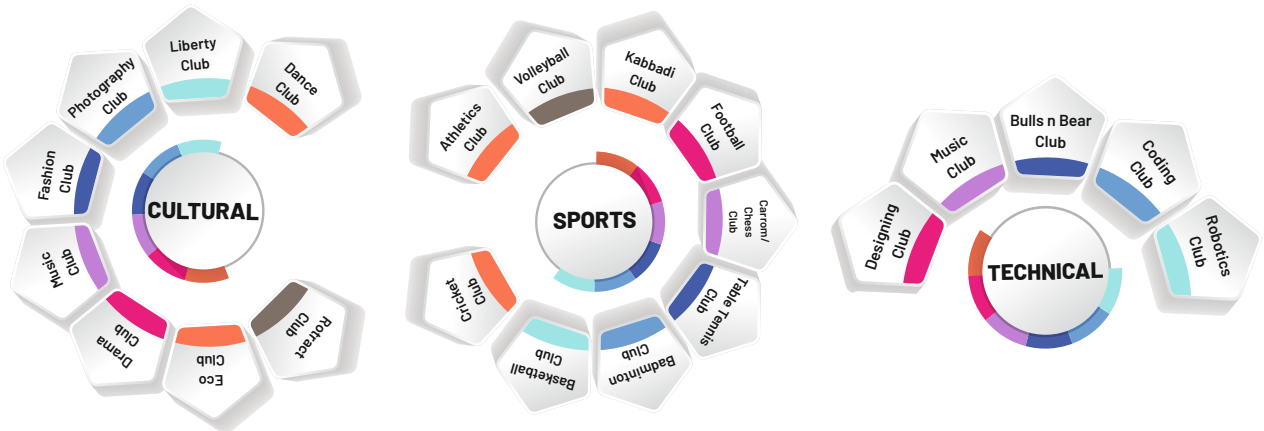

Taking on roles within the SAC, students are also able to acquire important skills including leadership, event planning, organization, communication, and teamwork. These experiences can strengthen their resumes, increase their marketability on the job market, help them develop personally, and get them ready for future leadership positions in their careers. The Student Activity Cell acts as a liaison between the university administration and the students. In addition to working to enhance student services and support systems, they serve as spokes people for the needs of students.

## Student Clubs:

Our University has a range of Student Clubs, such as the Sports Club, Cultural Club, and Technical Club, that offer students chances to participate and make a difference in the lively campus atmosphere. The Sports Club encourages teamwork and fitness through various sports and games. The Cultural Club celebrates diversity through dance, music, theater, and visual arts. The Technical Club focuses on innovation and technology, providing workshops to enhance students' technical skills. These clubs contribute to a vibrant campus life where students can pursue their interests and have a well-rounded college experience.

### Various Clubs for the Year 2023-24:

*“Study without desire spoils the memory, and it retains nothing that it takes in.”*

## **Other Facilities**

### **Temple**

***“Begin your day with some spirituality”***

Temples are one of the most important aspects of Indian culture. They are not only a place of worship but also a storehouse of our culture and tradition. Keeping the devotional motive in mind we have a Shiva temple near Tea Post where our students and faculties can visit and seek blessings.

### **ATM**

***“An ATM of KOTAK Bank is available on the campus.”***

### **Hostel**

***“These will be the best days of your life...”***

There is a separate Boys and Girls hostel in Indus campus, equipped with modern facilities and 24 hours security service for your safety. It's better to be on campus, in a serene environment, away from the traffic and chaos of the city. Campus hostel life has its own benefits. You are nearer to your classes, library, canteen, friends and again, you waste least time of your college life in commuting.

### **Transport**

***“Can travelling be fun...? YES, IT IS...”***

Transport facilities of the university are on contract basis. “Naitik Travels, Ahmedabad” manages the transport needs of the students and it is available from different locations of the city. The routes cover over 60% of the city. Students who wish to avail the facility can contact the Travel Agency at “+91-992426-0900”. Regular AMTS Bus service route No. 51A also connects the campus with other major locations of the city.

### **GYM**

***“Stay Fit and Healthy”***

## **Library**

### **“Read, Lead & Succeed”**

The Library supports the University's mission to help students prepare for meaningful careers. The Library has a rich collection of resources on all subjects being taught at the University. Inter Library book loan facility is available through Adinet. The library a collection of around 30000 books and subscribes to more than 100 National and International Journals in print. The library collection includes Dissertations, Indian standards, Project Reports and CD-ROM/DVDs on specific topics of interest.

The Library also provides access to digital library resources such as 1100+ e-books, e-journals, e-articles, electronics thesis and dissertations, open courseware like NPTEL Video courses and MIT Open Courseware etc. The Online Public Access Catalogue (OPAC) can be accessed to see the availability of library resources such as books, dissertations, Indian standards, & CDs/DVDs etc. The OPAC can search by author, title, classification number and publishers. The OPAC also provides member's library status by simply entering member ID or roll number written on your ID card. Students can access these resources in the library premises where dedicated PCs are available solely for this purpose.

## **International Students:**

International Students Affairs Cell (ISAC) is established at Indus University with an aim to make Indus University an Internationally acclaimed University across the globe. Currently we will be having students from different countries in Africa, Asia and the Pacific region.

We want our Indian students to experience and live with students from different countries traditions and cultures, to prepare them to be comfortable and confident with any Nationality and cultured people. We are aiming to welcome 100+ students from 14 different countries and have 50+ International tie ups across the globe for the academic year 2023 – 24.

## Drone Lab

The MOU was signed between Indus University and Drone Lab Pvt. Ltd on Date: 17/02/2023. Drone Lab Pvt. Ltd is a DGCA (Directorate General of Civil Aviation, Ministry of Civil Aviation, Govt. of India) approved RPTO (Remote Pilot Training Organization). There will be 7-10 days' drone training program will be conducted. It will include making of Fixed wing RC planes and Quadcopter training. During these training program, theory will be taught for 3 days. 1 day will be spared for Simulator Training and rest of the days, Making and flying training of drones will be conducted. For practical flying training, there will be two interconnected transmitters to fly. One Slave Transmitter, which will be operated by trainee and if wrong command is given by trainee then it can be corrected by trainer using master transmitter. This drone lab is going to be set up on ground floor of Bhanvar Building, Indus university.

First batch will be trained between from 10th to 19th July-2023 and 2nd batch will be trained between 10th to 19th August.

### Course details in specialization in drone development:

- Introduction to Drone
- Basic Electronics and Circuit Design
- Aerodynamics and Flight Dynamics
- Drone Design and Construction
- Propulsion Systems
- Sensors and Navigation Systems
- Communication and Data Transmission
- Software and Firmware Development
- Quality Assurance and Testing
- Regulation and Ethics
- Drone Maintenance and Repairs
- Quadcopter/Multi rotor Drone Specialization
- Drone Safety and Regulatory Compliance Specialization

## Indus Center for Startups, Incubation & Innovation (ICSII)

In today's ever-evolving world, innovation transcends boundaries and disciplines. At ICSII, we firmly believe that the world is incomplete without innovation, and we are committed to nurturing the spirit of innovation among our university students. With the new National Education Policy (NEP) advocating a shift towards experiential learning and emphasizing the development of job creators rather than job seekers, ICSII aligns perfectly with the aspirations of Indian youth in the 21st century.

Indus University's flagship center, ICSII, is dedicated to transforming university students into innovators and entrepreneurs. We recognize the importance of molding our students to meet the expectations of industries, government, and society at large. To achieve this, we have established the Indus Center for Startups, Incubation, and Innovation (ICSII), which serves as the cornerstone of our vision and mission.

### **Vision of ICSII:**

Our vision is to become a center of excellence that fosters synergy between academia, research, and industry. ICSII aims to empower young minds at the university to translate their ideas into impactful innovations or startups, positively contributing to society and the nation as a whole.

### **Mission of ICSII:**

1. **Cultivating an Innovation Culture:** We strive to instill a culture of innovation among our students, encouraging them to think creatively and proactively.
2. **Establishing a Vibrant Startup Ecosystem:** ICSII creates a dynamic startup ecosystem through the collaboration of academia, financial institutions, industries, and other institutes.
3. **Providing a Launchpad for Ideas:** We offer a comprehensive platform that includes mentoring, networking opportunities, and financial assistance to expedite the implementation of students' ideas into reality.
4. **Promoting Intellectual Property Rights (IPR) Awareness:** ICSII educates students about intellectual property rights, including patent, trademark, and copyright filing, fostering a culture of respect for intellectual assets.
5. **Empowering Entrepreneurship:** We raise awareness among students about business models and entrepreneurship startups, equipping them with the knowledge and skills to thrive as successful entrepreneurs.

**Discover E:  
(Discover Excellence in Innovative Upskilling  
& Engineering)**

Indus University takes great pride in introducing Discover E, a groundbreaking facility designed to bridge the gap between academic curricula and industry demands. This state-of-the-art establishment aims to equip students with cutting-edge skills, ensuring their seamless integration into the industrial landscape.

With state-of-the-art machinery, tools, and equipment sourced predominantly from renowned nations like Japan and Germany, Discover E embodies excellence in innovative upskilling and engineering. This facility provides students and faculty members with hands-on experience in the latest trends in industrial technology. Indus University firmly believes that by investing in the upskilling of students, they will pave the way for the emergence of highly competent engineers ready for success in the industry.

## **Student Section:**

Admission Related Work of the first year students; Preparation of Identity Card for the Students. Resolve queries of students in consultation with Systems Dept. & Accounts Dept. Mark sheets Related Work: Issue of notice to students for collection of mark sheets. Mark sheet distribution, Degree Certificates Related Work.

After completion of Convocation, Distribution of Degree Certificates after obtaining their undertaking with ID Proof wherever required, Dispatch of Degree Certificates by Regd. Post to remaining students, Student's Fees Follow-Up, Other Student Services like Preparation and issue of various certificates like Bonafide Certificates for Opening Bank Account, Bus Pass, Job Purpose, Bank Loan Certificates, Fee Demand Notice, CGPA to Percentage Certificates with Medium of Instructions to students for further studies, NoC Letter to students after cancellation of admissions, Preparation and issue of Provisional Degree Certificates and Migration Certificates, Transcripts; Complying with the formalities of certifying the authenticity of the mark sheets and other documents a 'True Copy', Complying with the formalities of WES (World Education Service) for the students applying for further study abroad, Scholarships Related Work, All students Scholarships like MYSY- Mukhya Mantri Yuva Swavlumbon Yojna, NSP-National scholarships, Digital Gujarat Scholarship related work; And Other Students Related Work, Preparation of Provisional Degree Certificate as require by the student after verify with the Exam Department; Getting filled of Rechecking and Re-assessment forms by students Online each semester Exam forms.

## **National Cadet Corps (NCC)**

The National Cadet Corps (NCC) is a youth development movement. It has enormous potential for nation-building. National Cadet Corps is a voluntary organization that recruits cadets from high schools, colleges, and universities all over India. It is a tri-services organization, comprising the Army, the Navy, and the Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens. The NCC aims at developing character, commandership, discipline, a secular outlook, the spirit of adventure, and ideals of selfless service amongst young citizens.

Indus University is affiliated with the 9 Gujarat Battalion, NCC Directorate Gujarat, Daman, and Diu, Dadra Nagar Haveli. We have a strength of 200 cadets of which 66.67% are boys and 33.33% are girl cadets. NCC provides both 'B' and 'C' Certificates to cadets who are in the senior division and studying in colleges. These certificates are awarded after training of two and three years respectively. These cadets are trained in various fields like drill, firing, map reading, weapon training, personality development and are trained to be citizens who are disciplined and responsible. Cadets are introduced to the army way of life giving them a glance at the the adventuresome life they have. Indus University encourages the youth to make a career in the armed forces.

Mr. Rajveersinh Rathod, a 2022 passout in Civil Engineering and an NCC student, achieved a remarkable milestone by getting selected as an officer in the Indian Army. His selection took place at the Services Selection Board located in Jalandhar, Punjab

## **Indian Knowledge System (IKS)**

India has always been a knowledge society. To perpetuate the knowledge tradition, a nation needs institutions to carry it from one generation to another. India always had such institutions. In modern times, the University system is the carrier of this knowledge tradition. The universities are full of creative talent. The modern youth has a lot of energy. Knowing the cumulative strengths of their culture and society will help them give perspective and channel their creative energy to meaningful purpose.

Every great nation teaches the core essentials of its civilization to its students. It is meant to give every student (regardless of the branch he chooses to study), an idea about the path breaking ideas, greatest scholars and best books that were produced in that civilization. This Course of Indian Knowledge System is an attempt to explain the core traits of Indian culture to the students. This course will tell the students about our profound ideas and greatest innovations. It will make them aware of the ideas that India exported to the world. It will tell them why India was the intellectual powerhouse of the ancient times. It will help them understand the indigenous knowledge system and the role it played in these great discoveries. This course aims at providing a broad overview of Indian thought in a multidisciplinary and interdisciplinary mode.

## **TRAINING AND PLACEMENT**

Employers today select candidates based on how they match in the employer's needs. It is important for students to know what selection attributes are given priority by employers. Communication, convincing and negotiation skills, resume writing, positive attitude, motivation, strategic planning, preparing for the interviews, are all important for meeting the employer's needs.

Indus University has an independent vertical – Training & Placement Department (T & P Dept.) – which plays a pivotal role of connecting two important ends, vis-à-vis, school and industry. It establishes a bridge between schools and constituent institutions of the University (input-end at the entry level) and Industry (output-end at the finishing level)

T & P Dept. is the epicenter for career guidance to students of all programmes and streams pursuing their studies at the university. It offers overall career solutions to the students by guiding them to decide and pursue their dream careers.

### **Roles & Responsibilities**

- Training & Career Guidance
- Placements
- Entrepreneurship/Startups
- Industry-Academia-Interface
- Tie-ups / MOUs / Empanelment

### **Training & Career Guidance**

- CV Writing - Internal
- Communication Skills – Written/Spoken – Internal / External
- Employability Skill Tests
- Domain Specific Technical Training
- Soft-skills and Technical Training Workshops
- Practice Sessions for Aptitude / Technical / Psychometric Tests
- GD Sessions and Mock Interviews by Industry experts
- Finishing School Training prior to the Campus Drives

### **Placements**

- Review, revise & diversify Employers database
- Liaise with Employers Talent Acquisition Teams for Campus Recruitment
- Handle end-to-end placement process of On Campus / Off Campus recruitment drives
- Ensure choice based placement
- Employer's Feedback after each Campus Drive

### Entrepreneurship / Startups

- Identify students keen on Entrepreneurship & extend all possible assistance to them.
- Encourage students for startups
- Invite successful entrepreneurs for interaction with students at regular intervals.

### Industry-Academia-Interface

- Facilitate Expert Sessions / Guest Lectures
- Facilitate Industrial Visits
- Facilitate Technical (Domain specific) & Non-Technical Workshops / Seminars
- Facilitate Internships / Projects by students in Industry
- Facilitate Faculty Training in Industry
- Tie-ups / Empanelment with Industry / Academic Institutions

### T & P Departments Strength

- Team comprises people with proven track-record and widest experience
- Industry interaction, Communication, Negotiation and Conversion skills
- Widest Network and Database
- Promise less and Deliver more
- Adherence to commitments and deliverables
- Easy accessibility to Students and Employers – round-the-clock, around-the-year
- Envious Track-record of Placements

## Examinations and Evaluation

### 1. Evaluation scheme for undergraduate (UG) programs

Theory and Practical subjects have two different heads. For both of them the examination scheme will be as per the table below:

Examination Scheme:						
Subject Name	Subject Code	Continuous Internal Evaluation (CIE)		External Component End Semester Exam (ESE)		Total Marks
		Theory	Practical	Theory	Practical	
ABC	A1B1C1	60X	60X	40X	40X	X
Marks Required to clear		24 (40 % X) Each		16 (40 % X) Each		40 % X
X = Total Maximum Marks of subject						

Regular End Semester Examination will be conducted for 100 marks of 3 hours duration. The scored marks will be further converted out of 40 marks & will be reflected in marksheet.

### 2. Grading Table (UG)\*

The letter grades, grade points and corresponding scores / marks awarded are as follows:

Letter Grade	Grade Point	Score Range out of 100
O	10	80-100
A+	9	70-79
A	8	60-69
B+	7	55-59
B	6	50-54
C	5	45-49
P	4	40-44
F	0	< 40
Ab-Absent	0	-

### 3. Semester and cumulative performance

Grading point Aggregate for UG, PG, B. Arch and Integrated programme shall be as below:

$$\text{(Grade Point Aggregate) GPA} = \frac{\sum (\text{Credits} \times \text{Grade Points})}{\sum \text{Credits}}$$

SGPA = Semester End grade point aggregate

CGPA = Cumulative Grade Point Aggregate

Conversion formula from CGPA to Percentage = (Obtained CGPA – 0.5) \* 10

**4. Promotion criteria to the higher semester (UG)\* :**

Rules for promotion to higher semester are as under and will be applicable to all enrolled students of all academic year 2019–20 onward–

Entry Sem	Eligibility Criteria condition for promotion in higher semester for the six year duration from date of registration for promotion
II	All students shall be promoted irrespective of backlogs in semester-1.
III	Maximum 4 backlogs of semester–1 are allowed, irrespective of semester-2 backlogs.
IV	Maximum 4 backlogs of semester–1 & 2 are allowed, irrespective of semester-3 backlogs.
V	Maximum 4 backlogs of semester–1, 2, and 3 irrespective of semester-4 backlogs.
VI	Maximum 4 backlogs of semester–1, 2, 3, and 4 irrespective of semester-5 backlogs.
VII	Maximum 4 backlogs of semester–1, 2, 3, 4, and 5 irrespective of semester-6 backlogs.
VIII	Maximum 4 backlogs of semester–1, 2, 3, 4, 5, and 6 irrespective of semester-7 backlogs.
IX	Maximum 4 backlogs of semester–1, 2, 3, 4, 5, 6 and 7 irrespective of semester-8 backlogs.
X	Maximum 4 backlogs of semester–1, 2, 3, 4, 5, 6, 7 and 8 irrespective of semester-9 backlogs.

Grade point is zero (F Grade) for a subject if the marks are less than 16 in ESE and / or less than 24 in CIE. In such a case, you will have to improve performance of respective components only as explained in the above section. For Non-credit Course S- Satisfactory and X- Unsatisfactory will be awarded.

**“Note: Students admitted to B.Tech program need to obtain a minimum CGPA of 5.5 for the award of B.Tech. degree.”**

Certification Course Name	Offering Department
Certification Course on Cyber Security	Computer Engineering
Certification program (Flutter for Beginners v2.0)	Computer Engineering
Skill Development Internship	Computer Engineering
Certification Program on AWS Cloud Computing	Computer Science Engineering
Certificate Course on Revit Architecture	Civil Engineering
Certificate Course on "Steel and R.C.C Building Design using STAAD Pro"	Civil Engineering
Certification Course on Internet of Things	Electronics and Communication
Certification Course on Energy Conservation Management & Auditing	Electrical Engineering

## Student Association:

### Department wise Students Association

Each department within the university has its own student association, which serves as a platform for students to engage in various technical activities. These associations are responsible for organizing a wide range of events, including competitions, expert lectures, seminars, workshops, and more. The primary objective of these events is to enhance the technical knowledge and skills of the students, as well as provide them with practical exposure to industry trends and advancements.

<b>Association of Indus Metallurgical Engineering Students</b>	

## Association with Professional Societies:

In addition to the department-level student associations, the university also recognizes the value of establishing associations with professional societies to further enhance the educational experience of its students. These associations with professional societies create a bridge between academia and industry, providing students with unique opportunities to connect with industry professionals, access specialized resources, and gain valuable insights into their chosen fields.

### Student Association:

Each department has a student's association where students and corresponding faculty coordinator organizes events like technical and non-technical competitions, expert lectures, seminars, workshops etc.

<b>Association Name</b>	
Association of Computer Science and Information Technology	

### Certification Courses:

<b>Certification Course Name</b>	<b>Description</b>	<b>Duration</b>
Quick Big Data - 360°	The certification course on “Quick big data-360°” had the topics like Big Data basics, NoSQL basics, Data Management, Text and Picture based similarities findings, Bloom Filters and its Applications, Hadoop, Map Reduce and Case Studies of big data.	2 Weeks
Python & R For Data Science	The certification course on “Python & R for Data Science” had the topics like basics of data science and its introduction, basics of R Programming with data visualization and data preparation and cleaning and analysis, basics of python programming with exploratory data analysis, Machine learning, supervised learning and unsupervised learning, Applications of learning along with its real time demonstration.	2 Weeks
E-Commerce Website Development Using Wordpress And Woocommerce	The certification course on “ECommerce website development using WordPress and woocommerce” had the topics like Introduction to the Content Management System, WordPress and its practicals, Working with WooCommerce, Payment Gateways and other configuration tools and its demonstration.	2 Weeks

## Indus Institute of Aviation Technology & Engineering (IIATE)

Indus Institute of Aviation Technology & Engineering is one of its kind institute with focus on innovative education. It is one of the flagship institutes of Indus University where students are provided with the opportunity to experience the World of Aviation through industry aligned courses to meet the global skill requirements of the industry.

IIATE in collaboration with WIIA offers UG programmes along with DGCA approved licensing courses which enable the students to have hands-on practical exposure and acquire licenses to work in the industry.

The industry oriented practical learning is supported by the industry oriented infrastructure at campus. This is the only institute in India having Boeing 737-200 aircraft in campus. Moreover, aircrafts like Lear Jet-24, Zenith CH-2000, Sukhoi- SU-7, are also utilizing as educational aid. WIIA and IIATE are well equipped with advanced Avionics Lab, Jet Engine Labs, Propeller, Landing gear and wings of Boeing 747-200, Aircraft System etc.

IIATE students have received appreciation for their outstanding projects. The unique project opportunities are provided to the students where they can implement the learnings into their projects like projects on thrust reversal, fuel, propeller, surveillance, aircraft anti-icing, TCAS system etc.

The students from across the University irrespective of their stream of study i.e. a student from IT, Electronics, Civil, Mechanical having interest in aviation can enhance their skills and opt for the skill development certification courses offered by the institute in the field of Aviation Hospitality & Travel Management like Cabin Crew, AHTM, Familiarisation of Jet Engine and Introduction to Aero Engine.
