Where Practice Meets Theory

Indus University has come a long way since its inception in 2006 as a University that believes in skill development. The group started its education journey in the year 1994 in the discipline of Aviation and over the years, it has transformed into a multi-disciplinary hub of higher education, achieving university status in 2012. Today, Indus University stands as a NAAC-accredited institution, home to over 8,000 students pursuing 123 diverse programs across multiple disciplines.

A Journey Rooted in Excellence with aim of गुणवत्ता का उत्कर्ष
Our journey began with a strong foundation in aviation, and through continuous expansion and innovation, we have grown into a university that caters to engineering, management, design, architecture, law, pharmacy, pure and computer science, liberal studies and various emerging fields like clinical research and cyber security. Our commitment to providing a world-class learning experience has positioned Indus University as a

leader in higher education. With a state-of-the-art campus, advanced research facilities, and a dedicated faculty, we ensure that students receive a blend of theoretical knowledge and practical exposure. Industry collaborations, internships, and global partnerships further enrich our academic environment, preparing students to excel in their careers.

Milestones and Achievements
Indus University takes immense pride in its accomplishments. In 2015, we established the Centre for Indic Studies, which has now become a distinct

feature of our university. Recognized by the University Grants Commission (UGC), the centre plays a pivotal role in conducting workshops, content development, and research on Indian knowledge systems. This initiative has strengthened our commitment to preserving and promoting India's intellectual heritage.

Vision for the Future

Indus University aspires to be an internationally acclaimed institution while staying deeply rooted in Indian ethos and values. We aim to integrate India's rich cultural heritage with modern education, ensuring that students not only gain technical expertise but also embrace the wisdom and ethical foundations that have shaped our civilization. Further, we envision expanding into sports education, recognizing its importance in holistic development. In collaboration with the Government of Gujarat, we plan to build world-class sports infrastructure, offering opportunities for students to excel in athletics, sports management, and physical education. By blending tradition with innovation, Indus University is committed to shaping global leaders who embody knowledge, integrity, and excellence. Our goal is to create a vibrant learning environment where students can grow academically, professionally, and personally, making meaningful contributions to society.

“Message to Students”

“Enhance your communication skills by using entrepreneurial business language on campus to develop strong verbal and interpersonal skills.”

Be Punctual:

Attend all your classes regularly and submit your assignments on time to stay on track with your academic goals.

Stay Attentive And Curious:

Actively engage during lectures. Ask questions to develop a deeper understanding of the subject matter.

Clarify Your Doubts:

Always connect with your faculty members. Don't leave the classroom with unresolved questions.

Form Study Groups:

Discuss classroom topics with friends to enhance your learning through collaboration and peer support.

Make Use of The Library:

Read widely beyond your syllabus. Explore books and expand your knowledge base.

Think Critically:

Embrace confusion and turn it into thoughtful questions. This process leads to meaningful learning.

Improve Communication Skills:

Communicate on campus using International Business Language to enhance your verbal proficiency and interpersonal skills for a global workplace.

Maintain Discipline

Follow campus discipline at all times. Obscene behavior or inappropriate scenes will not be tolerated under any circumstances.

Focus On Holistic Development:

Participate in at least two sports and actively pursue two hobbies to ensure balanced mental and physical growth. Also, engage in IKS – Indian Knowledge System activities to stay rooted in our cultural and traditional values while developing a well-rounded personality.

“Message to Parents”

We kindly request your active involvement and support in your ward’s academic journey. Please take note of the following important points:

Monitor Academic Progress:

Stay informed about your son’s/daughter’s attendance, Continuous Internal Evaluation (CIE), and performance in university examinations.

Stay Connected With Faculty:

Maintain regular contact with subject teachers and mentors. Under the Mentorship Programme, parent-mentor meetings are conducted regularly. Mentors provide individual guidance and academic counseling to support students. You will be informed about these meetings via phone or email.

Encourage Punctuality:

Motivate your child to attend classes regularly and be punctual. Regular attendance is crucial for comprehensive learning and fulfilling university attendance requirements. Please do not support extended holidays or missing lectures.

Timely Fee Payment:

Ensure that all payments, including tuition and hostel fees, are made on time through the official Indus University platform, Academia.

Update Contact Information:

Notify the university promptly in case of any change in address, phone number, or email, so we can maintain effective communication with you.

Share Feedback:

We welcome your constructive suggestions for the continuous growth and improvement of the university.

Student Code of Conduct and Discipline Guidelines

Part I: General Provisions

All students enrolled in various institutes under Indus University are required to adhere to the established rules and guidelines set forth by the University. Students shall submit to the disciplinary authority of the Executive President (Vice Chancellor), the respective Head of the Institute, and other designated officers or bodies of the University, as applicable.

1. **Attendance:** All students must be present during the university's scheduled hours and attend all classes. Students with less than 80% attendance, regardless of the reason, including medical grounds or participation in extracurricular activities, will be barred from appearing in the course and in the Mid Semester Examinations (MSE), Remedial Mid Semester Examinations (RMSE) and End Semester Examinations (ESE).
2. **ID Card:** Wearing an ID card is mandatory. No student will be allowed in the university campus without an ID card.
3. **Dress Code:** Students are expected to wear decent and appropriate attire on campus. Clothing that promotes religious sentiments, causes identity confusion, or poses a security risk is strictly prohibited. Wearing inappropriate attire will be subject to a fine and disciplinary action.
4. **Language Code:** Students must use dignified language while on campus. They are expected to maintain dignity when speaking with faculty members, employees, and other students.
5. **Mobile Phones:** Using mobile phones in lecture halls or instructional/academic areas is strictly prohibited. Mobile phones will be seized, and a fine will be imposed if any student is found violating this rule.
6. **Personal Belongings:** Students are advised to take extra care of their personal belongings such as purses, bags, laptop, mobile phones, and identity cards while on campus. If you find any belongings, please deposit them at the Student Section/ Administrative Office. The university does not bear any responsibility for lost or stolen items.
7. **Notifications:** All students are required to check notice boards and emails regularly. They must keep themselves updated with different notices, circulars, and revisions in the rules, as informed through emails, the university website, or notice boards. Students must check their university-allotted email ID and the university website/ notice board regularly.
8. **Compliance:** All rules, regulations, procedures, and systems framed by the university from time to time must be followed by all students.
9. **Prohibited Substances:** Indus Campus is a "Smoking, Tobacco, Alcohol, and Drug-Free Zone." Chewing tobacco, smoking, consuming alcohol or drugs on campus are strictly prohibited. Spitting anywhere on campus is also strictly prohibited.
10. **Ragging:** Ragging or any similar activity is strictly prohibited on campus. It is a punishable act. The Ministry of HRD, AICTE, and the Hon'ble Supreme Court of India view it seriously. You can be jailed and your admission can be canceled for engaging in ragging.

11. **Discipline:** All students are expected to maintain proper discipline on campus. Any misconduct, inappropriate behavior, or violation of institutional norms will be punishable with a fine and strict disciplinary action.

Student Code of Conduct and Discipline Guidelines

Part II: Academic Conduct and Discipline

Indus University upholds the principles of integrity and honesty in all academic activities. Students are expected to maintain these values both on and off campus. Any form of misconduct is regarded as a breach of University discipline. Violations include, but are not limited to, the following:

1. Failing to wear the Identity Card at all times and not producing it when requested.
2. Failure to attend classes, sessions, and co-curricular activities on all working days throughout the term or semester. Absences due to illness or unavoidable circumstances must be justified with a medical certificate (in case of illness) and/or a leave application from the parent or guardian, to be submitted to the Head of the Institute within seven days.
3. Any form of dishonesty during examinations, including attempts to copy or help others copy, is strictly prohibited. Unless specified otherwise by the teachers, students must not collaborate in any manner for completing home assignments and projects.
4. The penalty for breaches of academic discipline includes expulsion from the University.
5. Marking proxy attendance for others or having someone else mark attendance for you will result in severe punishment.
6. Cases of indiscipline or misconduct, such as mass abstention from class, irresponsible behaviour inside or outside the class, use of unethical practices during internships, or violation of program rules and regulations, will be dealt with severely.
7. The University reserves the right to impose fines, suspend students, or take necessary disciplinary action for any acts of indiscipline.
8. If a student has not paid fees at any stage, has dues pending for any reason, or if any case of indiscipline is pending, the student will be barred from taking examinations.
9. Damaging or defacing University property, the property of University members, or any other property inside or outside the University campus will be punishable.
10. Using abusive or derogatory language, inciting hatred and violence, or engaging in any act calculated to further such behaviour will attract punishment.
11. Ragging in any form, whether inside or near to the campus, hostel, canteen, or bus/transport, will attract severe punishment.

Campus Discipline Committee

To maintain a safe, respectful, and academically focused environment, Indus University has constituted a Campus Discipline Committee (CDC).

Role of the Committee:

Ragging, bullying, harassment, or any form of violence is strictly prohibited and will attract severe disciplinary action. The University reserves the right to impose fines, suspend students, or take any further necessary action against those involved in such activities.

Note to the Students:

- All students are expected to strictly follow the University's discipline rules and regulations at all times.
- Maintain respectful and courteous behavior with fellow students, faculty, staff, and visitors.
- Avoid any form of misconduct that may affect the academic environment or University reputation.
- Ragging, bullying, harassment, or any form of violence is strictly prohibited and will attract severe disciplinary action in form of fine and punishment.
- Students must cooperate with the Campus Discipline Committee during any investigation or inquiry.
- Attend all academic and co-curricular sessions regularly and avoid unnecessary absenteeism.
- Use University facilities responsibly and help in maintaining a clean and safe campus.
- Any violation of conduct will be addressed seriously and may result in penalties, suspension, or expulsion, depending on the nature of the offense.

Academic Bank of Credits (ABC)

The Academic Bank of Credits (ABC) is a digital platform created by the University Grants Commission (UGC). It allows students to open an academic account where they can store, view, and transfer credits earned during their studies. This system makes it easier for students to change colleges or universities without losing the credits they've already earned.

ABC works like a bank, but for academic credits instead of money. It helps with:

- Credit accumulation
- Credit verification
- Credit transfer from one institution to another
- Credit redemption for earning degrees/diplomas/certificates

Who Can Use It?

- Students from UGC-recognized Higher Educational Institutions (HEIs) are eligible.
- Each student gets a unique ABC ID and account.

Why It's Important:

- Helps you keep track of your credits throughout your academic journey.
- Useful when transferring to another college or course.
- Ensures smooth progress even if you switch institutions.

How to Register for ABC Account

1. Visit: www.abc.gov.in
2. Click on 'My Account' -> Select 'Student'
3. For new users, click on 'Sign up for Meri Pehchaan'
4. Enter your mobile number to receive an OTP
5. Fill in the required details and click Verify
6. Once done, you will receive your ABC ID

Note: Keep your ABC ID safe and submit it to the college for records.

ACADEMIC BANK OF CREDITS

Enabling students mobility
across higher education

What is Academic Bank of Credits?

As per National Education Policy 2020, the Academic Bank of Credits (ABC) has been envisaged to facilitate the academic mobility of students with the freedom to study across the Higher Education Institutions in the country with an appropriate "credit transfer" mechanism from one programme to another, leading to attain a Degree/ Diploma/PG-diploma, etc.

How it works?

Credits get deposited

Institution A

Transfer of Credits

Redeem Credits

Institution B

What are the Features of ABC?

- Allows academic institutions to lodge and maintain the integrity of the credits
- Maintains the authenticity and confidentiality of student credits
- Enables easy credit transfer through digital mode
- Facilitates faster credit recognition

Legacy of Learning

India has been a global center of knowledge since ancient times, with a rich tradition of education through institutions like Takshashila and Nalanda.

Introduction of IKS Course

Indus University proudly offers the Indian Knowledge System (IKS) course to first-year students, preserving and promoting India's intellectual heritage.

Purpose of the Course

To connect students with the foundational ideas, values, and achievements of Indian civilization across various domains.

Holistic Development

The course aims to channel the creative energy of youth by grounding them in cultural understanding and historical perspective.

Civilizational Awareness

Every great nation educates its youth about its core strengths. The IKS course introduces students to India's timeless contributions to knowledge and innovation.

Multidisciplinary Approach

The curriculum spans philosophy, science, mathematics, governance, art, literature, medicine, and more—offering a comprehensive view of Indian thought.

Relevance Across Disciplines

The IKS course is designed to benefit students from all academic backgrounds, regardless of their field of study.

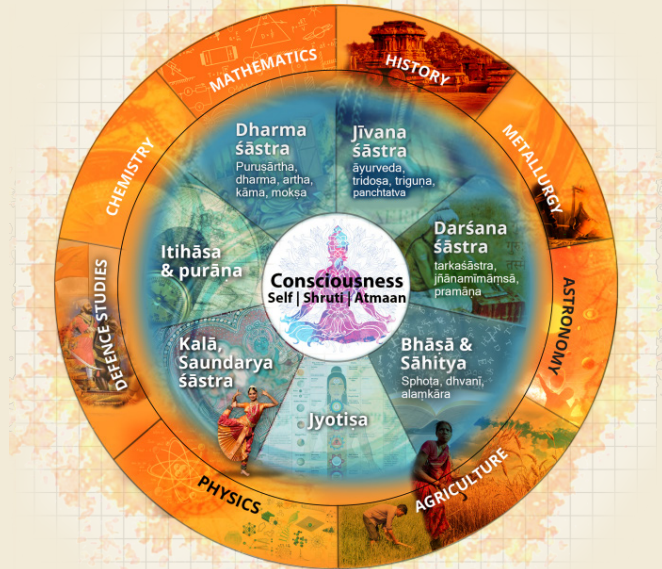

Insight into India's Global Impact

Students will explore how India emerged as a leading intellectual force in ancient times and its influence on the modern world.

Academic Enrichment

By studying IKS, students gain not only academic knowledge but also cultural pride and a deeper connection to their roots.

“We at the Centre for Indic Studies believe that promoting and preserving Indic civilizational consciousness is a collective duty”

Feedback of the ICSII student beneficiary

Ms. Hardi Kanani
Founder, BODYTINT – Clothing and Accessories
(Awardee - ICSII Indus University Woman Entrepreneur of the Year 2024)

Receiving the SSIP grant has been a transformative milestone for BODYTINT. It empowered us to strengthen our foundation, expand our production capacity, and create greater awareness around our sustainable and artisan-driven fashion line.

The invaluable guidance and continuous support from ICSII (Indus Center for StartUps Innovation & Incubation) have helped us shape our vision with clarity and confidence. I am especially grateful to Asst. Dean Shaswat L. Padalia, whose mentorship has played a crucial role in helping me explore new growth opportunities.

I sincerely thank Indus University, SSIP, and ICSII for believing in BODYTINT's mission to empower rural women and preserve traditional craftsmanship.

Discover E (Discover Excellence in Innovative Upskilling & Engineering)

Indus University has set up a 'Discover E' facility for innovatively Upskilling students and making them Industry ready.

Discover E:

A cutting-edge facility focused on hands-on, skill-based learning in engineering and technology.

Aims to align student competencies with current industry requirements and global standards.

The initiative has been established under the insightful guidance of Hon'ble Presidential Secretariat, Dr. Ritu Bhandari and Dr. Nagesh Bhandari, whose forward-thinking vision has shaped Discover E into a hub of innovation and excellence.

Key Features

- Equipped with world-class machinery, tools, and equipment from Japan and Germany.
- Focus on practical learning, innovation, and industrial readiness.
- Offers real-time exposure to industrial technology trends and applications.

Support for Startups

- Facility also benefits over 50+ student startups under the Indus Center for StartUp Incubation & Innovation (ICSII).
- Encourages a synergistic ecosystem for innovation and product development.

Benefits for Students

- Hands-on learning to boost technical confidence.
- Industry-certified training sessions.
- Become a Trainer through the Train the Trainer
- Employability and entrepreneurial thinking.

Industry Collaborations

Expert training sessions by professionals from renowned companies like: Bosch, Germany, Makita, Japan

Why it Matters

"This facility will become an integral part of the curriculum, enabling every student to develop essential skills and a forward-thinking vision required to excel as industry-ready engineers."

– Dr. Nagesh Bhandari

Departmental Student Associations:

At Indus University, each academic department has a vibrant Student Association, designed to empower students and encourage active involvement. These associations offer a variety of opportunities to enhance your learning, both technical and non-technical, including:

- **Technical Contests:** Test and sharpen your skills in a competitive setting.
- **Expert Talks:** Gain insights from industry leaders and professionals.
- **Workshops:** Participate in hands-on sessions to gain practical experience.
- **Seminars:** Stay updated on emerging trends and technologies.
- **Non-Technical Events:** Engage in cultural activities, sports events, and leadership development programs.
- **Community Service:** Contribute to societal well-being through various outreach programs and initiatives.

The goal is to enhance your skills, connect with industry trends, and bridge the gap between academics and real-world applications.

Collaborations with Professional Societies and Chapters:

Beyond departmental student bodies, Indus University actively promotes affiliations with renowned professional societies and chapters. These collaborations offer students exposure to national and international industry standards, trends, and professional networks.

Through memberships, workshops, seminars, and competitions organized in association with these societies, students gain valuable insights and hands-on experience beyond the classroom. These affiliations also open doors to internships, research opportunities, and career guidance, fostering a strong bridge between academic learning and professional practice.

Industry-Academia Link

These collaborations create a strong connection between academic learning and industry practices.

Industry Mentorship

Opportunities for guidance from industry professionals help students develop real-world skills.

Networking Opportunities

Students can connect with peers, professionals, and experts in their field.
