

## About The Programme

Science plays a very important role to change society. National Science Day is being celebrated to discuss all the issues and implement new technologies for the development in the field of science and also to mark the discovery of the "Raman Effect" by Indian physicists Sir Chandrashekara Venkata Raman. Indus University's Science Fest- 2020 Provides continual platform for young scientific minds to discuss their innovative concepts in a common platform.

## About ISHLS

The Institute of Sciences, Humanities and Liberal Studies (ISHLS) is one of the core centers at the university, which strives to deliver core knowledge of sciences and English language. ISHLS is a collection of various undergraduate as well as postgraduate programs, which aims to impart knowledge in the field of Mathematics, Physics, Chemistry, Computer Science and English Language Teaching, English Literature & Clinical Research.

## Events

### Oral Presentation

**Explanation of Scientific idea**  
(Group: Max. 2 Members)  
Time Duration:- 10 Minutes

### Working Model

**Convert your innovative ideas into simple functioning model**  
(Group: Max. 3 Members)

### Poster Presentation

**A component of communicating science & important Element in successful scientific career**  
(Group: Max. 3 Members)  
Poster Size A2

### Science Quiz

**Close your books & open your Mind**  
(Group: Max. 2 Members)

### Eminent Speaker

#### Prof. K. N. Joshipura

(Gen. Secretary, IAPT)  
Ex. Hon. Dir. C.C. Patel- Community science center SPU -V.V.Nagar,  
Ex. Head Department Of Physics, SPU

### Faculty Co-ordinator

Dr. Manisha Vithalpuria-9427775415  
Dr. Chetana Deoghare-8888084060  
Dr. Jigna Panchal-8780558130

### Registration Fees ₹150/-

(fees include Registration kit, tea/coffee & Lunch)

How to Reach

### Academics @ ISHLS

- Master of Science (Mathematics)
- Master of Science (Physics)
- Master of Science (Chemistry)
- Master of Science (Pharmaceutical Sciences)
- Master of Arts (English)
- Master of Arts (English Language Teaching)
- Post Graduate diploma in Artificial Intelligence & Machine Learning (1 Year)
- Integrated MCA (5 Years)
- Integrated M. Sc. (CA & IT) (5 Years)
- Master of Computer Application (Lateral) (2 Years)
- Master of Science IT (2 Years)
- B. Sc. Clinical Research & Healthcare Management
- M. Sc. Clinical Research
- Ph.D Programme in all Streams

### Organised by

INSTITUTE OF SCIENCES HUMANITIES & LIBERAL STUDIES  
INDUS UNIVERSITY

Last Date For registration- 5th February, 2020

Venue:- Auditorium, Indus University, Rancharda, Via: Thaltej, Ahmedabad - 382 115
